

THE BRUIN REPORT

UPDATE FROM DEPAUL CRISTO REY HIGH SCHOOL

FROM THE PRINCIPAL

Families,

This grade report is an important one! At this point, there are just under six weeks left of school, including exams. Now's the time for students to make plans with their teachers and college advisor for a successful finish to this year. Let's finish this year strong!

Speaking of next year, we will soon begin the process of scheduling classes for next year. Students will bring home a scheduling form for you to sign, approving of their selections. Along with scheduling classes, it is important that families complete the re-enrollment forms on Final Forms. If you have not done so yet, please do so by May 3. Ms. Jackie can help you if you have any questions.

On Wednesday, April 24, we will host a College/Career Fair after school in the Learning Commons. This is open to all students and will include college reps and local employers who are hiring immediately for the summer. Thank you to Corporate Work Study and College Advising for organizing this event. There are also two DPCR sponsored mission trips this summer. One to Pine Ridge, South Dakota, and one locally working with St. Vincent DePaul. Please have your student talk to Brother K in Campus Ministry if they are interested.

Thank you so much for all of your support and partnership as we work together to develop young men and women of integrity, faith, tenacity and purpose.

Go Bruins!

SUMMER ENRICHMENT

The time is now to apply and enroll in summer camps, classes, volunteer work, and jobs! All students can gain valuable experiences by participating in summer enrichment. DPCR encourages students to enroll in summer programs that expose them to careers, develop leadership skills, and/or provide experiences on college campuses. Programs are offered as week, month or summer-long programs, some include overnight stays. Students have been presented with a variety of summer programs. Many of those programs have application deadlines in the coming weeks. As teachers and staff are notified of summer programs we send that information out to students via their DPCR email. Students should be checking their email every day to look for new opportunities.
