**********   **Please CIRCLE your answer to the following two questions:**

1) Casco Bay High School offers co-curricular activities on our campus, from clubs to dances. In addition, students have the option of participating in the athletic and co-curricular programs of Portland or Deering High Schools (but not both). Consequently, Casco Bay HS students have to declare that either Portland or Deering will be their school for athletics and any additional co-curriculars. Once this designation has been made, it cannot be changed during the school year.

If I attend Casco Bay High School next fall, I will designate the following as my school for additional co-curricular offerings:

Deering High School   Portland High School

2) If there is more interest than spots, I would like to be placed on a waiting list in case a spot opens up before September:

Yes   No

Please return this completed form to either your guidance counselor or

to Hermance Kouame (kouamh@portlandschools.org) at Casco Bay High School. Thanks!
