

Meeting #5

October 3, 2019

Purpose of the meeting:

Review remaining publishers as a grade level/content area team according to tier 2 & 3 on the rubric.

Points of discussion:

- Break Out Groups:

- After averaging the tier one scores and determining the publishers remaining after the required cut score, committee members reviewed the remaining publishers according to tier 2 & 3 on the rubric and worked collaboratively with in their grade level/content area to compare results.
- Top two or three publishers were identified for each grade level/content area.
- Discussed the plan for our next meeting. A full day substitute will be provided for the November 4, 2019 meeting which will include vendor presentations.

- Homework:

- Committee members are asked share committee progress with their school/community members.
- Identified materials will be on display October 15 through December 17 for Community Members to review. Committee Members are asked to publicize this information to their school/community members.
