

Meeting #4

September 5, 2019

Purpose of the meeting:

Begin to review and rate publishers using the rubric.

Points of discussion:

- Break Out Groups:
 - Within grade level/content area teams, members of the committee individually rated publishers in an effort to filter out materials that did not meet tier 1 requirements. Each member of the committee was required to complete a minimum number of rubrics to ensure more than one member reviewed each publisher.

Additional Note:

None of the submitted Japanese materials were confirmed by the Tier 1 rubric, therefore, this process will be started over.
