

Get Ready for the 2024-2025 Scarlet Oaks Law Enforcement (S.O.L.E.) School Year!

School uniforms are an important part of our program and factor into your child's professionalism grade. Students are required to wear their uniforms daily and have appropriate clothing for physical training (PT).

Uniform Ordering

RP Diamond is our primary uniform vendor. They offer a pre-assembled uniform package recommended by the class, as well as individual items for purchase. When placing your order, you can choose to pick up the items at their Loveland location or have them shipped for an additional fee.

Additional Items

A few items, including boots, metal name tags, belts, and sweatpants, are not available through RP Diamond and will need to be purchased separately from stores or online retailers. Socks and undershirts can be purchased at your convenience from any clothing store or online store.

Questions?

Please get in touch with Lt. Humphrey at humphrey.amy@greatoaks.com for any questions regarding uniforms. For order inquiries with RP Diamond, you can reach them at info@rpdiamond.com

Attention Class of 2025 (NEXT YEAR'S SENIORS)!

Due to the mid-year uniform update, you are NOT obligated to purchase new items that you already have. You will need to add the blue dress shirt to your uniform this year. This will be used for any ceremonies and business dress events.

However, if you'd like to have logo uniforms and expand your current wardrobe, you can still order them. Uniforms will be a requirement for ALL students. To ensure a consistent and professional environment, only clothing approved by the school will be acceptable.
