

**DRY CREEK JOINT ELEMENTARY SCHOOL DISTRICT
RESOLUTION #2023-16**

**INTENT TO INITIATE A TRANSITION FROM AT-LARGE TO BY-TRUSTEE AREA
BOARD ELECTIONS COMMENCING WITH THE 2026 BOARD ELECTION**

WHEREAS, the Board of Trustees (“Board”) of the Dry Creek Joint Elementary School District (“District”) is elected “at-large,” meaning that each Board member is elected by voters of the entire District;

WHEREAS, Board members are elected in even-numbered years and serve staggered, four-year terms, such that the next election for three Board members is scheduled for November 2026, with the remaining two Board members scheduled for election in November 2028;

WHEREAS, under the California Voting Rights Act (Elec. Code, § 14025, *et seq.*) (“CVRA”), at-large elections may be challenged if those elections result in racially polarized voting and vote dilution. Racially polarized voting can occur where there is a “difference...in the choice of candidates or other electoral choices that are preferred by voters in a protected class, and in the choice of candidates and electoral choices that are preferred by voters in the rest of the electorate.” Vote dilution can occur when a protected class is denied the ability to elect its preferred candidate or influence the election’s outcome;”

WHEREAS, transitioning from at-large to “by-trustee area” elections, where each Board member must reside within a designated trustee area boundary, and is elected only by the voters in that trustee area, minimizes the potential for litigation against the District under the CVRA;

WHEREAS, the Board understands the importance of fair and accessible elections, greatly values the opinions and voices of all members of the District’s community, and desires to increase the ability of candidates to seek elected office;

WHEREAS, while the Board does not believe that its current form of elections violates the CVRA, it does believe that it is in the public’s best interest to begin the process to transition from at-large to by-trustee area elections;

WHEREAS, the Board will now hold a minimum of two public hearings to seek public input regarding the composition of the trustee areas prior to developing proposed trustee-area boundary maps;

WHEREAS, the Board, with assistance from a demographer, will hold a minimum of two additional public hearings to seek public input on the proposed trustee area maps developed and on the proposed sequence of elections;

WHEREAS, the Board will hold an additional public hearing before adopting a trustee-area map and submitting it to the Placer County Committee on School District Organization (“County Committee”) for consideration;

WHEREAS, Education Code sections 5019 and 5030 authorize the County Committee, upon application of the Board, to change the method of election of the Board from at-large to by-trustee area;

WHEREAS, the Board, cognizant of its need for fiscal responsibility, desires to implement this change in the manner of electing trustees in a cost effective and efficient manner; and

WHEREAS, the adoption of “by-trustee area” elections will not affect the terms of any Board members serving or elected during this transition, each of whom will serve out his or her full term.

NOW, THEREFORE, the Board of Trustees of the Dry Creek Joint Elementary School District hereby resolves as follows:

1. The above recitals are correct and true.
2. This Resolution is passed and adopted pursuant to Elections Code section 10010, subdivision (e)(3)(A).
3. Trustee area boundary lines shall be developed based on the most updated federal decennial census data to provide for by-trustee area elections commencing with the 2026 Board elections.
4. The District shall commence the process of transitioning to by-trustee area elections, in full compliance with all appropriate procedures and policies provided in law, including but not limited to Education Code sections 5019 and 5030, and Elections Code sections 10010 and 14025, *et seq.*
5. Staff is directed to engage a demographer, legal counsel, and any other consultant deemed required to assist in the development of proposed by-trustee area boundaries.
6. The District Superintendent/designee is hereby authorized and directed to take any other actions necessary to effectuate the purposes of this resolution.
