Operations

Quarantine
Update

Attendance

Percentage of eLearnig Students by Grade Level

Operations

Student chairs and desks that have been placed in classrooms.

Barriers have been ordered and now on site. **Change: Barriers no longer recommended by NYDOH based on the CDC guidelines.**

Nutrition Services gearing up food ordering and staffing

The 2 students per seat model will only be used where bus capacity is over 21 students.

All students must wear masks on the bus and throughout the school day with time for masks breaks.

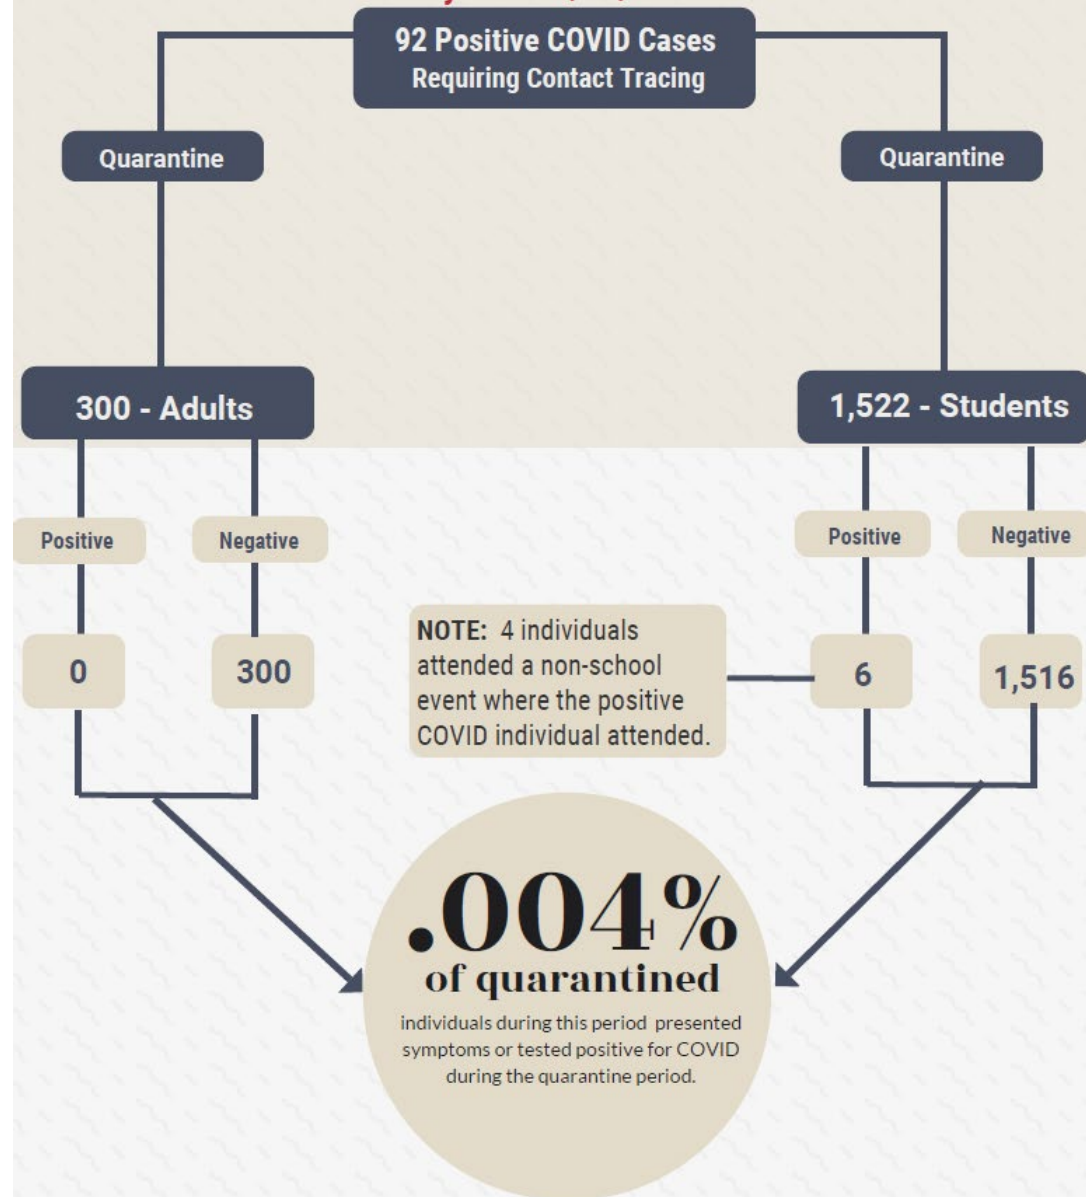

Initiate random COVID testing protocol of approximately 10% of school population over two weeks. **Random testing begun last week.**

Operation Update

- NYDOH Guidance release on April 9, 2021
 - NYDOH is following CDC guideline and stating barriers are not recommended
 - PE and Music instruction reduced from 12 feet to 6 feet
 - All districts continuing to get clarity on the document
- Reenforced Mitigation Approach
 - Masks
 - Cleaning
 - Distancing
 - Ventilation
