

Superintendent's Educational Equity Advisory Team

SEEAT GOALS 2019-2020

The Superintendent Educational Equity Advisory Team provides direction and leadership in culturally relevant professional learning, as well as district practices. The Team serves as the “educational equity lens” of SCSD and strives to provide positive change for all.

- Curriculum and learning activities that reflect the range of diversity in our district and community
- Organization structure that reflects the collective value of educational equity
- Learning that enhances the knowledge and skills of our faculty, staff, students and families to better meet the needs of our diverse learning community
