

2024-2025 Class Placement Survey

As we begin our work assigning our current K-3 students to classes for the 2024-2025 school year, we would like to invite parents to submit input on their student that might help us with this process. If you would like to participate, please submit [this form](#) by Friday, May 3.

Please remember that this information is shared with your child's current grade level teachers, so if you have feedback that you do not want to be shared with the teachers, please email that information directly to [Mr. Holladay](#).
