

2023-2024 Modified School Year Calendar Feedback Survey Results

Background

Approximately 25% of districts in South Carolina are currently operating or plan to implement a modified school year calendar during the 2023-2024 school year.

Purpose of the Survey

Gather input from the community that will be used by the Richland One Academic Calendar Committee as the district considers options in the development of the 2023-2024 academic calendar.

Survey Logistics

The survey was set up and managed within the *K-12 Insights* platform. A publicly accessible link was generated and distributed. The survey opened on October 24, 2022 and expired on the morning of November 1, 2022.

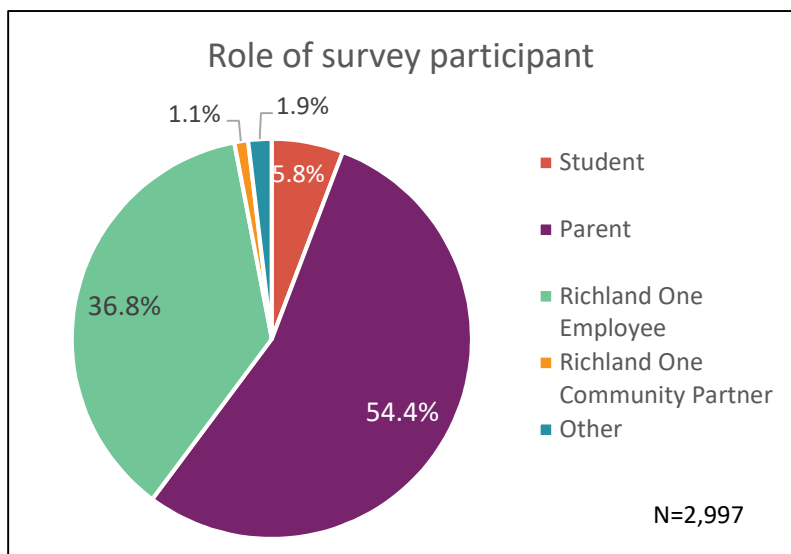

Summary of Responses

3,005 responses were submitted.

Q1. Please select your role. If you hold more than one role, please select the role that identifies your views as you complete the survey.

Response options	Number
Student	173
Parent	1,631
