## R1 Work-Based Learning

## **Employer Evaluation Form**

A significant component of the internship program is the learning that takes place at the worksite. The evaluation should be a candid appraisal of the student's performance. Each student that participates in a Richland One career ready work-based learning experience (apprenticeship, internship, or cooperative education) must have two evaluations on file from the employer. This evaluation should be completed by the immediate supervisor and be based upon the expectations for a young professional highly interested in the career field.

Please complete the evaluation form.

If you have questions or concerns about the employer evaluation form, please email or call Dr. Charnice Starks-Ray at charnice.starks-ray@richlandone.org or 803-333-8104.
