Accessing MicroCareerBurst
SCOIS CIS (High School Version)

Go to www.scois.net

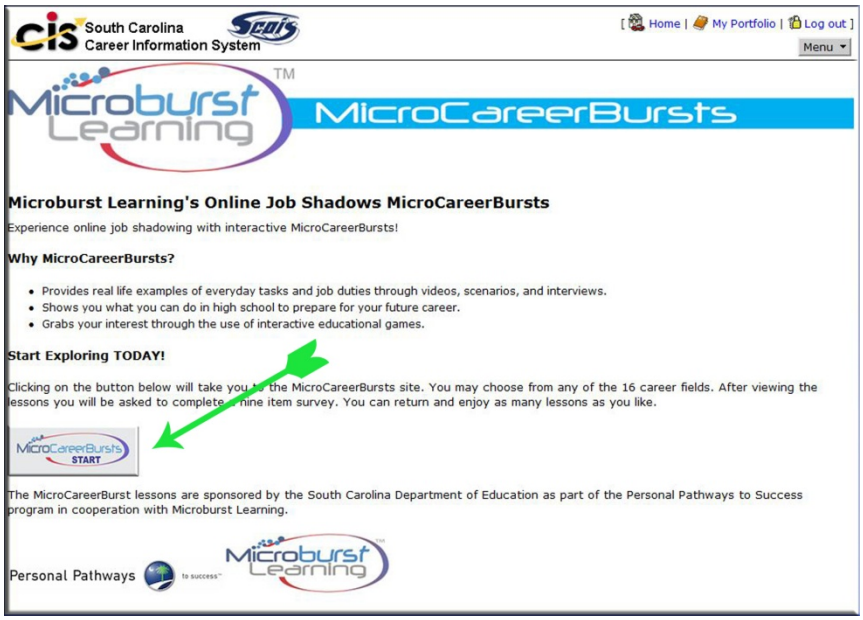

Students: Enter portfolio username and password ***(user must be in a portfolio to access MicroCareerBurst Videos)***…if you are not sure of the student's portfolio username and password please see the SCOIS Site Administrator at your school.

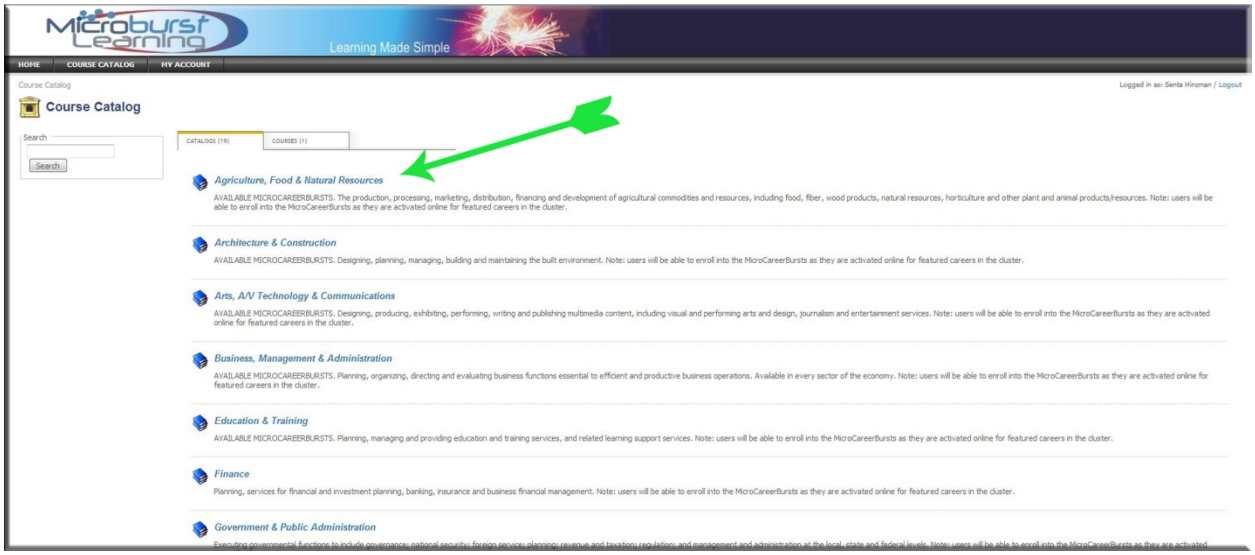

Once in the portfolio…click on the "Occupations Tab" on the top menu bar and then select " "MicroCareerBurst" to begin…

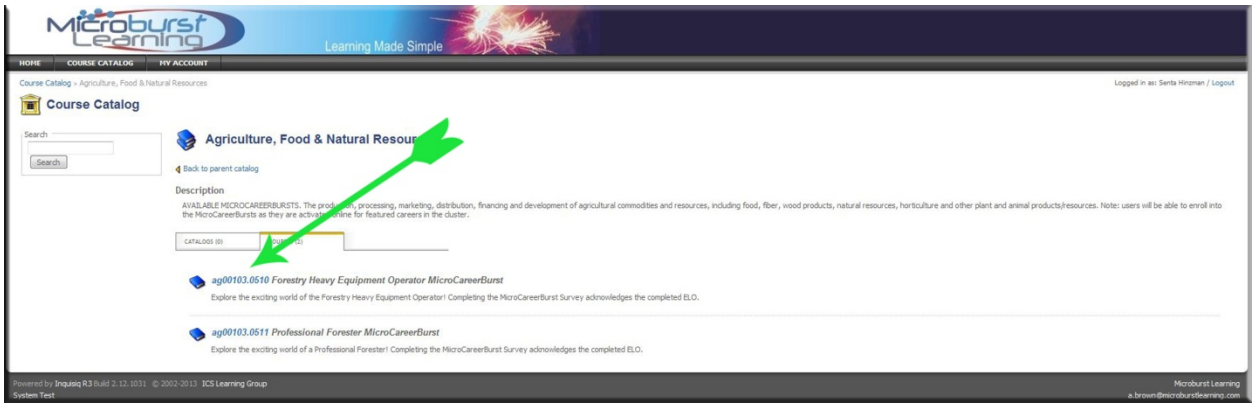

Once in “MicroCareerBurst” click on “MicroCareerBursts Start”…

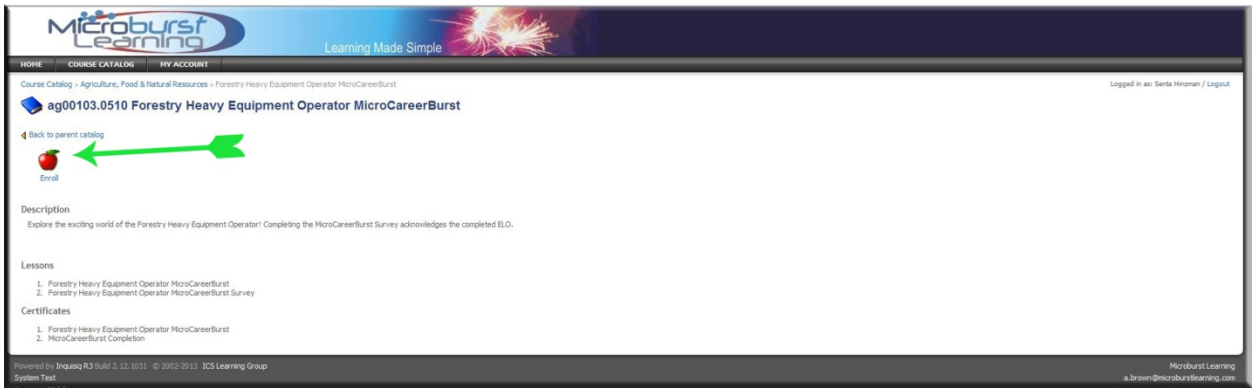

The student is now in the “Course Catalog”…click on a cluster to start…

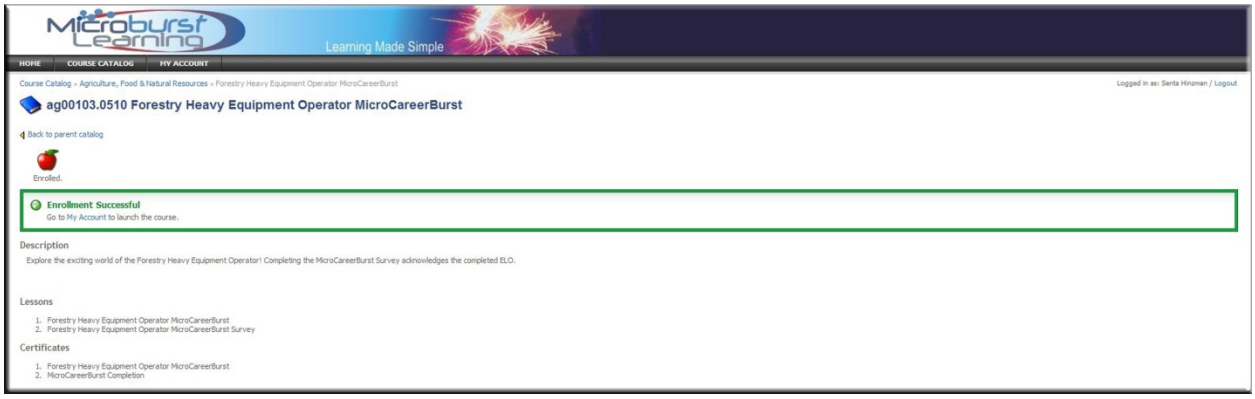

“Agriculture, Food & Natural Resources” cluster…click on the first course

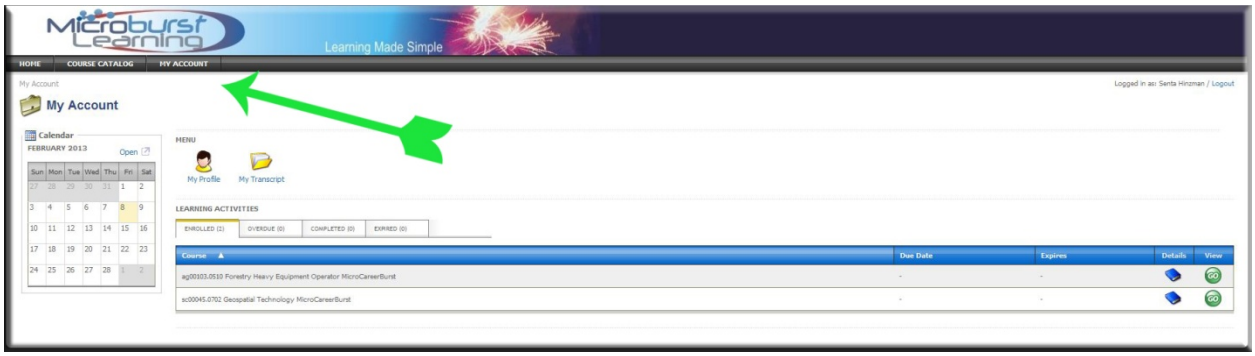

Then click on “Enroll”

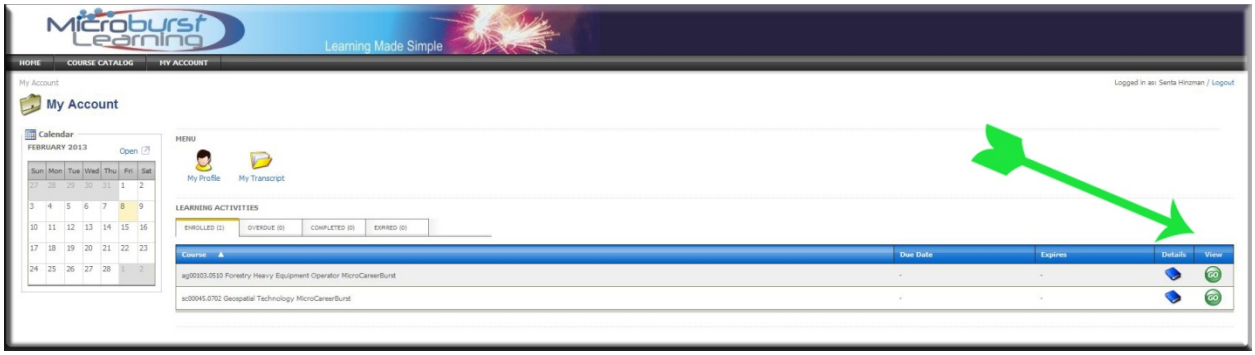

“Enrollment Successful” will be displayed. The student can repeat this process and enroll in courses that he or she would like to complete.

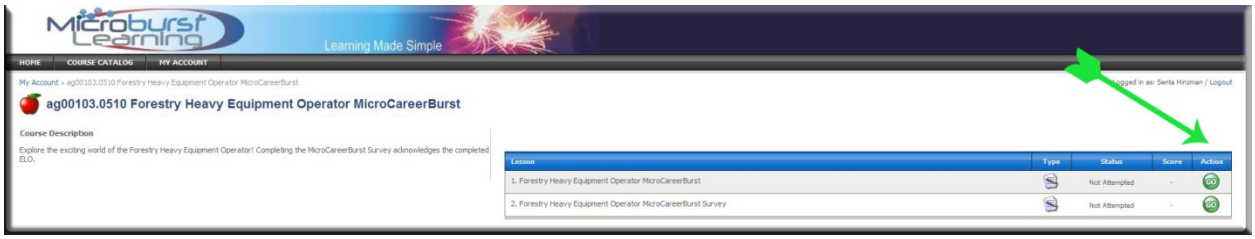

When the student is ready to begin a course click on the “My Account” tab at the top to view the courses in which the student is currently enrolled…

Click on the green “Go” button to view the lessons…

Click on the green “Go” button to get started with a lesson…

Example of a “Forestry” Lesson… Follow directions to complete the lesson and answer the survey…

Once the lessons have been completed and the survey answered the student should ***click on “Logout” to return to portfolio in SCOIS CIS…***
