Title III, Part A: Multilingual Learner Program (MLP) and Immigrant Children and Youth

The MLP program complies with Title III, Part A of the ESEA, as amended by ESSA. The MLP program provides various educational services to multilingual learners (MLs) and immigrant children and youth who may speak languages other than English. This program is free to all eligible students and provides support for language acquisition.

Home Language Survey (HLS)

School districts and charter schools are required to determine the language(s) spoken in each student's home to identify their specific language needs. The purpose of the HLS is to determine the primary or home language of the student and is given to all students one time at initial enrollment in a South Carolina public school district or charter school and should remain in the student's permanent record.

Information about the student's language helps to identify students who qualify for free support to develop the English language skills necessary for success. English language proficiency (ELP) testing may be necessary to determine if the student is eligible for language supports if a language other than English is recorded for any of the three HLS questions below. If the student qualifies, they will be entitled to services as an ML and will be assessed annually to determine their English language proficiency.

Families must fully understand the purpose and intent of the HLS and MLP program. **If you have any questions, you may contact your district's Title III/MLP Coordinator before completing the HLS.**
