

*Carrying The Torch for
Student Achievement*

Olympia Learning Center's mission is for students to reach maximum potential through diverse and innovative academic, career, support and life skills programs using non-traditional and challenging approaches. Our unique instructional support systems allow for smaller class sizes, individualized instruction in small groups, differentiated instructional delivery, interactive educational programs and a variety of educational courses through Edgenuity (better known as E2020).

Olympia Learning Center works with students in middle school through high school who attend the school by district referral or by choice.

R.E.S.E.T is a short-term, therapeutic program for students in grades K-5 that are experiencing behavioral issues that interfere with their ability to succeed academically and socially. The goal is to transition students back to their home school with a plan that will aid in decreasing suspensions, reducing the number of students being recommended to the hearing board, and improving their overall academics outcome. R.E.S.E.T uses a positive behavior model with clear and consistent expectations to create a safe learning environment where progress on social and academic goals will occur for all children.

The Richland One Office of Dropout Prevention

*Where we believe in
SECOND CHANCES!!*

The Office of Dropout Prevention works in collaboration with schools, parents and the community to develop interventions and services that assist students from dropping out of school. We work to identify and ensure that students in jeopardy of dropping out of school receive the support and resources needed to achieve academic success and graduate from high school time. The Goals of the office are:

- Reduce the district's dropout rate
- Increase the district's graduation rate through specialized interventions
- Assist schools in developing dropout prevention plans
- Provide early strategies to elementary schools and parents
- Design and implement school based mentoring programs

RICHLAND ONE EVENING HIGH SCHOOL

"WE BELIEVE IN SECOND CHANCES"

The Evening High School is designed to serve Richland One students interested in obtaining a high school diploma, but due to life circumstances have dropped out of school or are unable to attend school during the day. This high school is not an alternative school; it is a high school that operates at an alternative time. The school's target population:

alternative time. The school's target population:

- previous year and current year dropouts with preference given to 12th graders
- students not eligible to enroll in the Adult Education Program
- referrals from the Hearing Office
- students who need one or two courses to meet graduation requirements
- diploma track students receiving special education services
- students who prefer a small learning environment

This program operates Monday - Thursday, from 4:00 pm – 8:10 pm on the district academic calendar. This schedule enables students to hold a job, meet family obligations and upon meeting the requirements, graduate from high school
