

# Learning and Fun at Home

## GET A FREE LIBRARY CARD!

Apply for a card online at [RICHLANDLIBRARY.COM](https://www.richlandlibrary.com).

Are you a Richland School District One Middle School or High School Student? Your Student ID is your library card number because of our ConnectED partnership! Your PIN is the last four digits of your phone number.

Have questions about your library account? Call (803) 799-9084.

## ACCESS BOOKS, MOVIES, MUSIC, HOMEWORK HELP AND MORE ON RICHLANDLIBRARY.COM

- Find your next favorite read on [Overdrive](#) or [Cloud Library](#).
- **Kanopy Kids:** Unlimited access to a collection of shows and videos, including PBS favorites such as Daniel Tiger, Wild Kratts, and Sesame Street, as well as animated storybooks, movies and more.
- Comics on [Hoopla](#): Help pass the time with instant access to your favorite manga, comic books and graphic novels!
- **Flipster:** Enjoy the latest editions of your favorite children's magazines, including Zoobooks and Sports Illustrated Kids.
- **Short Edition:** Have a couple minutes to spare? Read one of our very short stories aloud as a family. Choose your reading time – 1, 3, or 5 minutes – and enjoy!
- **Freegal:** Browse the Children's Music available to download or stream on Freegal and have a family dance party!
- Learn a new language as a family. Choose a language on [Mango Languages](#), take the online lessons together and then practice speaking over the dinner table. You can even learn to speak Pirate!
- **Tumble Books:** From animated picture books to read-along chapter books, Tumble Books has something for children of every age.
- **Lynda:** Learn to play the guitar or design a comic book! Lynda has online courses to help you learn a wide range of topics and IT skills.
- **Learning Express:** Spend this out of school time wisely by brushing up on your test taking skills with practice SAT and ACT tests.
- **Tutor.com:** Access to free online tutoring on every subject for students in kindergarten through college.

## TIPS FOR LEARNING AT HOME

1. Have a dedicated space for learning separate from where children have down time.
2. Keep a schedule! Make time for outside activity.
3. Plan your work and work your plan! Stick to it. You're not alone. You've got this.
4. Go Old School! Don't forget to talk, laugh, sing, play board games, write in a journal, color, make something!
