| Explore a type of music that is new to you (check with your parents first). Talk about how it is different from what you normally listen to. | Listen to one of your favorite songs. What sounds make it important to you? | Create a new pattern for the Pepperoni Pizza song. You can use a pencil for a pretend bow if you don't have your instrument at home. |
| Explore one of your parents' favorite songs. Have them tell you why they like that song. Ask if it brings up any memories. | Listen to a song from the 1970's and a song from the 2000's. How are they different? How are they alike? | Create a picture while you listen to a song you enjoy. Draw what the music makes you feel. |
| Explore music in nature! Make a list of sounds that you hear as you take a walk or stand on your porch. | Listen to the music from a commercial. List the different instruments you hear. Is one seem more important than another? | Make a playlist that makes you feel happy. List your songs. |
| Explore your house for things that can be used to make music. These are called "found" instruments. Make a list of the ways they can be used organize sounds. | Listen to the music in your favorite game. Are there voices, instruments or both? How do they help tell the story of your game? | Create an album cover for your playlist. |
| Explore your favorite song for rhythm patterns that happen repeatedly. Talk about how they help make the song important to you. | Make a list of the places you hear music during the day. What kind of things do you hear in the music? | Using some "found" instruments in your house (ordinary things that you can use to create different sounds), create new rhythms or beats for some of your favorite music. |
