

My name is Donna M. Hodgdon, the Parent & Family Engagement Specialist at S. Kilbourne Elementary and I am excited to be a part of our wonderful school community.

Parents & Families

My goal is to increase parental involvement, build successful community partnerships and more importantly empower parents with information and resources. Utilize activities and workshops to help students and parents to be successful.

As a Parent & Family Engagement Specialist, I am here to be a support to all in the following areas.

- a) Monthly Engagement Meetings
- b) Volunteer Opportunities for Parents
- c) Build and Expand Community Partnerships
- d) Develop and Provide Resources to support Students & Parents with tangible Educational Materials.

Hopefully, you will take the opportunity to reach out to meet with me and share any questions or concerns that you might have. I believe that there is no one who knows your child as well as or in quite the same way as your family does.
