These results identify your child as an English learner (EL). This means that your child qualifies to receive support from the English for Speakers of Other Languages (ESOL) Program for school year **2018-2019**.

It is recommended that your child attend _____.

Your child will receive regular English instruction in listening, speaking, reading and writing with an ESOL teacher. ESOL classes provide instruction appropriate to the student's needs and abilities. Additionally, your child will receive instruction from mainstream teachers when he or she is not receiving ESOL instruction. ELs in mainstream classes receive modifications and accommodations specifically designed for your child by his/her teachers.

Students who qualify for special education or other special services receive those services in addition to ESOL. ESOL teachers will coordinate with special education instructors to fully implement Individual Education Plans (IEPs).

As a served EL, your child will take the WIDA ACCESS English proficiency test each year until scores indicate a level of English proficiency defined by South Carolina exiting criteria. Most students exit the ESOL program within three to seven years, and are expected to graduate from high school at the same rate as mainstream students.

This notification and score report are for you to review and keep. Please contact Jonathan White at (803) 212-1475 or jonathan.white@richlandone.org if you have any questions or concerns.
