

Notification of English Proficiency - Monitored K or Bi-lingual and Screener Score Report

To the Parent or Guardian of : _____

Student ID: _____ Gender: ☐ Male ☐ Female Date of Birth: _____

Grade: _____ Primary Language: _____ Zoned School: _____

Your child's English proficiency has been measured using an English language proficiency screener test. The purpose of the test is to determine your child's skill levels in English- reading, writing, listening and speaking. Consult the chart below to see the type of test administered and your child's scores.

☐	WIDA Screener – for students entering grades 2-12								
Overall		Listening		Speaking		Reading		Writing	
Description of WIDA Proficiency Levels									

☐	K W-APT – for students entering kindergarten through grade 1							
Listening and Speaking				/30	Reading	/15	Writing	/18

Congratulations!

☐	These results identify your child as a <u>proficient</u> English learner (EL). He/she will be designated as "Monitored K" by the ESOL program and will <u>not</u> be served in ESOL classes. This distinction is unique to rising Kindergarteners who have not yet received formal instruction in reading and writing. Monitored kindergarteners in mainstream classes may receive modifications and accommodations if recommended by teachers or parents; however, your child will not participate in annual English proficiency testing. Your child will continue to be monitored by the ESOL program for a period of four years in order to comply with Title III federal mandates.
☐	These results identify your child as a bi-lingual English speaker. He/she will not be served or monitored by the ESOL program.

Please contact Jonathan White at (803) 212-1475 or jonathan.white@richlandone.org if you have any questions or concerns.

This notification and score report are for you to review and keep.
