

HOW DOES IT WORK?

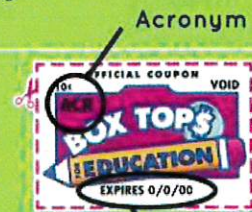

Earning money for your school with Box Tops for Education is so easy.

Every Box Top you submit is worth 10 cents for your school.

1. Families simply need to cut, rip or tear the Box Tops clip off the package and turn it in to you.

*** Here's the important part ***

Each Box Top must have a product acronym and an expiration date, so remind families not to rip those parts.

Expiration Date

2. You bundle up the Box Tops and send them to us.
3. Your school receives a check, which can be used to buy important things your school needs.
