

CLUSTER MODEL

Guided by our partnership with John Hopkins University's National Network of Partnership Schools, Richland One has implemented a Cluster Support Model for parent and family engagement. The Lower Richland Cluster includes the following schools:

- Caughman Road Elementary
- Gadsden Elementary
- Hopkins Elementary
- Hopkins Middle
- Horrell Hill Elementary
- Lower Richland High
- Mill Creek Elementary

PARENTS AS PARTNERS

Parent engagement is essential to student success. Research shows students are more likely to do better in school, stay in school longer, and enjoy school more when schools, families, and communities work together.

The work of the Parent and Family Engagement Specialists is guided by Joyce Epstein's Framework of Six Types of Involvement, which are:

Parenting
Communicating
Volunteering
Learning at Home
Decision Making
Collaborating with the Community
