

AP RESEARCH SUMMER 2023

All students enrolled in AP Research for the 2023-24 school year (as of 5/11/2023) have been added to a Schoology class called "AP Research Summer 2023." There, students will find three assignments: reading and outlining a scored AP sample paper, reading and reflecting on readings about the nature of research, and an interest inventory. All assignments should be submitted on Schoology by the end of day (11:59pm) on August 20th.

1: Reading a Sample Paper

Browse the files posted in the "High Scoring AP Research Samples" folder
Select one whose topic, discipline, or research method interests you.
Read the paper
Create a "Reverse Outline"
Number the ...
· Due Sunday, August 20, 2023 at 11:59 pm

2 Read and Reflect

Read the four excerpts from "Practical Research Planning and Design"
They are a very broad introduction into the process of research.
There are eight questions in the attached word document. After ...
· Due Sunday, August 20, 2023 at 11:59 pm

3. Interest Inventory

Complete the attached interest inventory.
Your answers here can be short, but endeavor to be clear, specific, and precise.
