You must complete all the double starred (**) items in order to submit the form and you must complete all of the single starred (*) items to move your progress towards 100%. All other items are helpful in matching to scholarships, but optional.

When entering GPA, you will also need to enter the Scale. The scale can be found on your transcript or by asking a school official such as a guidance counselor. For example, your high school could have a 4.0 scale and your GPA is 3.85 and you would enter a scale of 4. If your scale is a percentage, such as 100%, you would enter 100. Or if you checked the box that your school uses Weighted GPAs, you would enter your weighted GPA and your school's weighted GPA scale.

If your school used the same GPA scale for all grade levels, check the box that says "My school used the same GPA scale for all grade levels."

Applying for Scholarships

On the My Scholarships page, your Dollars for Scholars may have additional questions you need to answer to verify your eligibility for scholarships.

Not all Dollars for Scholars have these types of questions.

The screenshot shows the Dollars for Scholars website interface. At the top left is the logo, and at the top right are links for Logout, Back to Dashboard, and Help. A user profile picture is shown next to the name Marty McFly. Below the name is a section for 'Your Chapter Matches' with two links: 'NA9999 - National Scholarships - DFS' and 'Test - Test Training Dollars for Scholars'. A main message thanks the user for searching and instructs them to answer questions to verify eligibility. It also provides contact information for support. At the bottom, a 'Custom Eligibility' section is expanded to show a question: 'Have you been involved in community service (Church, school, city, etc.)?' with radio buttons for 'Yes' and 'No'.
