# SOUTHERN YORK COUNTY SCHOOL DISTRICT FOUNDATION

## The Southern York County School District Foundation Story

The Southern York County School District Foundation was organized in 1997 as a charitable organization under laws of the Commonwealth of Pennsylvania and Section 501(c)(3) of the Internal Revenue code.

The Foundation provides giving opportunities for scholarships, projects, equipment, supplies, and other purposes for the benefit of all students in the Southern York County School District. An overarching goal of the board of directors is to maintain its financial viability into perpetuity by cultivating long-term relationships with donor partners and building our endowment fund. The scholarship fund now features 50 permanently endowed scholarships and continues to grow!

The Foundation also actively seeks grants and gifts for specific school district projects. In recent years, for example, a competitive grant program (Innovative Grant Program) has funded a gardening club, middle school mini-golf course, aquaponics project, and hands-on coding program. These projects provide students with interactive, experiential learning opportunities. We are proud of both the important work happening in our schools through these projects and our students' success, and we are grateful to our donors for making these opportunities possible.

# A Message from the President

Dear Friends of the Southern York County School District Foundation:

I am thrilled to report that the Foundation had another fantastic year! This year, the Foundation distributed 161 scholarships totaling \$150,846 to 99 students. The Foundation also added five new endowed scholarships, bringing our total number of endowed scholarships to 50. Endowed scholarships are designated to support specific scholarship programs in perpetuity and are a testament to your spirit of giving and commitment to our Warriors! Foundation donors are making an incredible difference in the lives of our students!

In addition to the scholarship program, which assists our students in post-secondary education, the Foundation administers other programs, such as the Innovative Grant Program and the Thank-You Card Contest, that touch the lives of our children and contribute to the overall well-being of the Southern York County community. The Innovative Grant Program provides teachers within the Southern York County School District with the monetary funds to sponsor innovative projects to extend learning beyond written academic standards and develop additional opportunities for the students of our District. The winning cards in the Thank-You Card contest are mass-produced and given as a thank-you to donors while also providing authentic learning opportunities for our students.

I would like to extend a heartfelt thank-you to those who have donated to the Foundation. Many of you have been involved for years, and your dedication is greatly appreciated. Your contribution helps the Foundation support Southern York County School District's mission of promoting character, fostering responsibility, and challenging students to achieve their potential.

Please visit the Foundation page on our Southern York County School District website at [www.sycsd.org](http://www.sycsd.org) for news of our continued successes and information on how you may help.

Sincerely yours,  
Glenn Geiple , '72

## GIFTS MAY BE DONATED IN MANY WAYS

The Southern York County community has a long history of working in a collaborative manner to enhance the opportunities for students. To this end, gifts for scholarships, projects, equipment, and supplies may be donated in many ways.

**General Contributions** - Non-specific contributions of any amount are greatly appreciated and are used to fund our general scholarship program. We encourage donors to give general contributions.

**Named Scholarships** - This is a wonderful way to honor someone or one of your favorite organizations. You may establish a scholarship fund using criteria you select. We ask that annual awards be a minimum of \$500. In addition, many of our donors have chosen to give to an already named scholarship to increase the value of the scholarship.

**Endowment Program** - Foundation endowment funds are managed by the York County Community Foundation and are designated to support specific scholarship programs for perpetuity. The endowment funds now have \$1,134,327 in assets, including both the Dollars for Scholars and the Hester Hemminger Endowments.

If you want the annual earnings from your gift to be directed to a named scholarship, we ask that the gift be \$10,000 or more. We use an earnings assumption of 5% so that an endowment of that amount will fund \$500 annually. Named endowments will be shown separately in our financial reports, and recognition will be made, as you direct, at the time of annual distribution.

**Susquehannock Innovative Grant Program** - This is a partnership between Susquehannock High School Student Council and the Foundation. This program funds grants for innovative classrooms or extracurricular initiatives.

**Employer Gift Matching Program** - We are recognized by the Internal Revenue Service as a charitable organization and qualify for most employer gift matching programs. We will happily assist with any necessary paperwork.

**Tree Dedication Program** - The Foundation sponsors a program that allows a donor to honor or memorialize an individual, organization, or event by dedicating a tree on the Susquehannock, Friendship, or Shrewsbury campuses.

**Peggy Kingman Memorial Welfare Fund** - Donations are used for the School District's welfare fund. This fund continues to be a preference for donors wishing to help our students in need with items such as eyeglasses, backpacks, and food insecurity.

**Leave a Legacy Program** - The Southern York County School District Foundation is a proud partner of Leave a Legacy York County. Consider leaving a legacy that will enrich the lives of students for future generations.

**PA Educational Improvement Tax Credit** - The PA Educational Improvement Tax Credit (EITC) Program gives tax credits to businesses contributing to scholarship organizations and/or educational improvement organizations that are approved by the Department of Community & Economic Development (DCED) under Act 48. The Southern York County School District Foundation is an approved organization.

A gift to the Southern York County School District Foundation can provide your business with a substantial tax credit through the EITC program. At the same time, you can impact the quality of our schools by providing additional opportunities for our children.

**Generous EITC Business Partners** - The students of the Southern York County School District benefited significantly in 2021-22 from the generous contributions of our EITC business partners. Contributions to the Foundation through the EITC program were used to support the School District's Classrooms Without Walls program, which placed additional technology in the hands of elementary students.

The following business partners supported our schools and students by donating to the Southern York County School District Foundation through the EITC program:

- PeoplesBank, A Codorus Valley Company: \$20,000

- Truist: \$2,000

- Walton and Company: \$1,000

# Named Scholarships and Awards

## Class of 2022 Recipients

The Foundation is an affiliated chapter of Scholarship America "Dollars for Scholars" (DFS). Accordingly, scholarship distributions carry the additional benefits of this designation. Colleges generally do not reduce their award package for scholarships through a DFS program. In fact, some colleges match a DFS scholarship in the student's financial aid package. Recipients attending a Pennsylvania college may also be eligible for Pennsylvania's matching Partnerships for Access to Higher Education (PATH) program for students demonstrating financial need.

# Susquehannock High School Alumni Association

The Susquehannock High School Alumni Association is a vital component of the Foundation. In addition to promoting a large variety of programs and events designed to promote and foster pride, loyalty, and lifelong commitment to the school and continued relationships among its graduates, the Association raises funds for scholarships and many other programs. The Association sponsors homecoming events, creates and distributes monthly newsletters, and keeps the membership roster current through its website (<http://www.sycsd.org/alumni>).

## Alumni Spirit Award

The Susquehannock High School Alumni Spirit Award is presented each year to an individual who exemplifies outstanding school spirit for an extended period of time. The Spirit Award recipient for 2021 was Nancy Novak. Nancy Novak has assisted with Warrior athletics for more than 35 years. She is a valuable part of the team that makes athletic events here at Susquehannock possible. She exemplifies outstanding school spirit and is an example of a true Warrior.

Nancy has made a tremendous impact on students here at Susquehannock High School and the athletic program as a whole. Her positive attitude has enriched Susquehannock Alumni and the community.

## 2022 Distinguished Alumni

Each year, the Association selects a Distinguished Alumni who serves as a speaker at commencement. In 2022, this prestigious award was presented to Glenn Geiple, '72.

As funeral director at Geiple-Predicce Funeral and Cremation Services, Inc., Glenn is an active member of the community. He is also active in the Susquehannock Alumni Association and has been a member of the board of directors of the Southern York County School District Foundation since 2002. Since 2005, he has served as the foundation's president.
