SOUTHERN YORK COUNTY SCHOOL DISTRICT FOUNDATION

The Southern York County School District Foundation Story

The Southern York County School District Foundation was organized in 1997 as a charitable organization under laws of the Commonwealth of Pennsylvania and Section 501(c)(3) of the Internal Revenue Code.

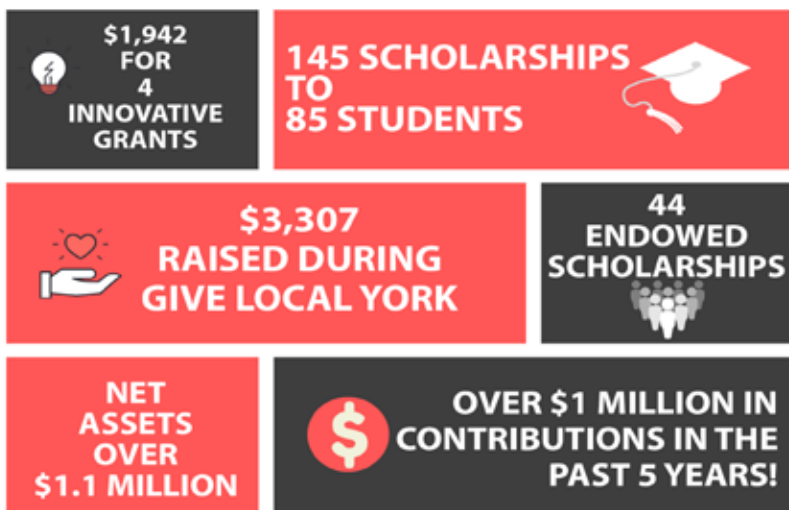

While many school district foundations work only to obtain scholarship funds for the benefit of graduating seniors, the Southern York County School District Foundation provides giving opportunities for scholarships, projects, equipment, supplies, and other purposes for the benefit of students in the Southern York County School District.

An overarching goal of the Board of Directors is to maintain its financial viability into perpetuity through cultivating long-term relationships with donor-partners and to build our endowment fund. The scholarship program now features 44 permanently endowed scholarships and continues to grow!

The Foundation also actively seeks grants and gifts for specific school district projects. Such funds recently were used to purchase technology for all elementary schools and to fund innovative classroom projects through a competitive grant program.

For further information, please contact Susan Green, Executive Director, Southern York County School District Foundation, PO Box 128, Glen Rock, PA 17327. Email address: susan.green@syicsd.org.

A Message from the President

Dear Friends of the Southern York County School District Foundation:

I am pleased to present our 2020-21 Annual Report on behalf of the Southern York County School District Foundation Board of Directors.

We are so excited to share a wonderful milestone that the Foundation hit this year! The Foundation now has over \$1.1 million in net assets! We would not have been able to hit this milestone without all of you!

Some of the highlights of the year include: More than \$148,000 in generous contributions from donors, a newly endowed scholarship, and 145 scholarships awarded to 85 deserving students. What a difference the Foundation donors make in the lives of our students!

Although the pandemic caused a need for creative approaches, the Foundation was still able to host many programs including Scholarship Awards Night. It was great to be able to connect with many of our donors and celebrate the successes of the Susquehannock Class of 2021.

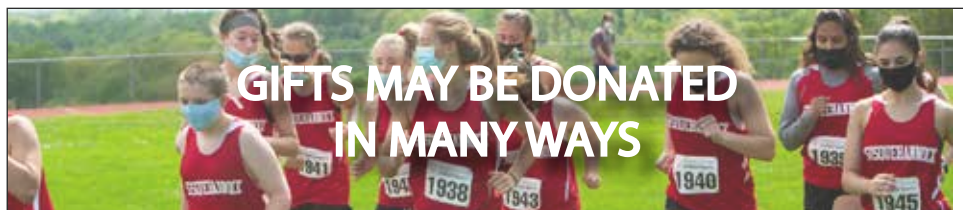

In addition to the scholarship program, which assists our students in post-secondary education, the Foundation touches the lives of our children and contributes to the overall well-being of the Southern York County community in many other ways. Please take a moment to learn about the other programs administered by the Foundation, such as the Innovative Grant Program and the Thank You Card Contest. The Innovative Grant Program provides teachers within the Southern York County School District the monetary funds to sponsor innovative projects to extend learning beyond written academic standards and develop additional opportunities for the students of our District. The winning cards in the Thank You Card contest were mass-produced and given as a thank you to donors while also providing authentic learning opportunities for our students.

I would like to extend a heartfelt thank you to those who have donated to the Foundation, many of you have been involved for years. The Foundation embraces the Southern York County School District's commitment to "make a difference in the lives of students, one Warrior at a time."

Please visit the Foundation page on our Southern York County School District website at www.sycsd.org for news of our continued successes and information on how you may help.

Sincerely yours,
Glenn Geiple, '72

The Southern York County community has a long history of working in a collaborative manner to enhance the opportunities for students. To this end, gifts for scholarships, projects, equipment, and supplies may be donated in many ways.

General Contributions - Non-specific contributions of any amount are greatly appreciated and are used to fund our general scholarship program. We encourage donors to give general contributions.

Named Scholarships - This is a wonderful way to honor someone or one of your favorite organizations. You may establish a scholarship fund using criteria you select. We ask that annual awards be a minimum of \$500. In addition, many of our donors have chosen to give to an already named scholarship to increase the value of the scholarship.

Endowment Program - Foundation endowment funds are managed by the York County Community Foundation and are designated to support specific scholarship programs for perpetuity. The endowment funds now have \$1,082,880 in assets, including both the Dollars for Scholars and the Hester Hemminger Endowments.

If you want the annual earnings from your gift to be directed to a named scholarship, we ask that the gift be \$10,000 or more. We use an earnings assumption of 5% so that an endowment of that amount will fund \$500 annually. Named endowments will be shown separately in our financial reports, and recognition will be made, as you direct, at the time of annual distribution.

Susquehannock Innovative Grant Program - This is a partnership between Susquehannock High School Student Council and the Foundation. This program funds grants for innovative classrooms or extracurricular initiatives.

Employer Gift Matching Program - We are recognized by the Internal Revenue Service as a charitable organization and qualify for most employer gift matching programs. We will happily assist with any necessary paperwork.

Tree Dedication Program - The Foundation sponsors a program that allows a donor to honor or memorialize an individual, organization, or event by dedicating a tree on the Susquehannock, Friendship, or Shrewsbury campuses.

Peggy Kingman Memorial Welfare Fund - Donations are used for the School District's welfare fund. This fund continues to be a preference for donors wishing to help our students in need with items such as eyeglasses, backpacks, and food insecurity.

Leave a Legacy Program - The Southern York County School District Foundation is a proud partner of Leave a Legacy York County. Consider leaving a legacy that will enrich the lives of students for future generations.

PA Educational Improvement Tax Credit - The PA Educational Improvement Tax Credit (EITC) Program gives tax credits to businesses contributing to scholarship organizations and/or educational improvement organizations that are approved by the Department of Community & Economic Development (DCED) under Act 48. The Southern York County School District Foundation is an approved organization.

A gift to the Southern York County School District Foundation can provide your business with a substantial tax credit through the EITC program. At the same time, you can impact the quality of our schools by providing additional opportunities for our children.

Generous EITC Business Partners - The students of the Southern York County School District benefited significantly in 2020-21 from the generous contributions of our EITC business partners. Contributions to the Foundation through the EITC program were used to support the School District's Classrooms Without Walls program, which placed additional technology in the hands of elementary students.

The following business partners supported our schools and students by donating to the Southern York County School District Foundation through the EITC program:

- PeoplesBank, A Codorus Valley Company: \$20,000

- BB&T: \$2,000

- York Water Company: \$1,000

- Walton and Company: \$1,000

Named Scholarships and Awards

Class of 2021 Recipients

The Foundation is an affiliated chapter of Scholarship America "Dollars for Scholars" (DFS). Accordingly, scholarship distributions carry the additional benefits of this designation. Colleges generally do not reduce their award package for scholarships through a DFS program. In fact, some colleges match a DFS scholarship in the student's financial aid package. Recipients attending a Pennsylvania college may also be eligible for Pennsylvania's matching Partnerships for Access to Higher Education (PATH) program for students demonstrating financial need.

Susquehannock High School Alumni Association

The Susquehannock High School Alumni Association is a vital component of the Foundation. In addition to promoting a large variety of programs and events designed to promote and foster pride, loyalty, and lifelong commitment to the school and continued relationships among its graduates, the Association raises funds for scholarships and many other programs. The Association sponsors homecoming events, creates and distributes monthly newsletters, and keeps the membership roster current through its website (<http://www.sycsd.org/alumni>).

Alumni Spirit Award

The Susquehannock High School Alumni Spirit Award is presented each year to an individual who exemplifies outstanding school spirit for an extended period of time. The Spirit Award recipient for 2020 was Kevin Lawrence. Kevin Lawrence has taught social studies at Susquehannock High School since August of 2005. He also serves as event staff here at

Susquehannock and is known as one of the YAIJA's favorite football announcers. Kevin serves student athletes as a coach, official, youth director and as an advocate for education based athletics that stress the importance of character development and sportsmanship.

Kevin currently serves as the head varsity baseball coach at Red Lion High School, is a PIAA basketball official, and serves as the Triple Aces youth baseball program president. He has also coached girls basketball for the warriors and even coached basketball at Gettysburg College. He is currently writing a book about education based athletics in relation to sportsmanship and character development.

Lawrence's positive attitude has enriched Susquehannock Alumni and the community.

2021 Distinguished Alumni

Each year, the Association selects a Distinguished Alumni who serves as a speaker at commencement. In 2021, this prestigious award was presented to Amy Furman, '06.

She is currently the Director of Break Through Tech New York. This is a partnership launched in 2016 with Cornell Tech, the City University of New York (CUNY), and industry partners. Break Through Tech New York works at the intersection of academia and industry to propel more women into higher education and careers in tech.

2021 Distinguished Leaders

THE KREBS FAMILY

In 2020, the Krebs Family endowed the Leroy E. Krebs Scholarship to celebrate his 100th birthday. Mr. Krebs was a principal at Susquehannock High School and fondly remembered for his service to Susquehannock High School.

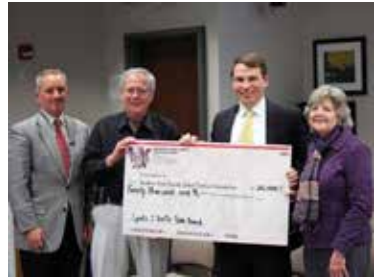

BRYAN NICHOLSON

In 2015, Bryan created the James Nicholson Memorial Scholarship in honor of his brother who passed away in 1998. This scholarship is awarded to a senior planning to major in a business-related field in college. He has continued to fund this scholarship annually.

LYNDA JOHNSON SHEFFER

Lynda dedicated her 42-year career at Head Start of York County to helping children and families with socio-economic hardships. The Lynda Johnson Sheffer Book Award assists graduating Susquehannock seniors who have overcome hardship to purchase books or other media in their first year of college or technical school. Endowment funding for this award has been provided by a grateful former Head Start student of Mrs. Sheffer.

RAVEN ROOST #116

The Ravens Roost #116 raises funds to support local charities and families in our community. Since 2015, they established a scholarship that assists students who have a history of volunteering and participation in student activities.

ROBERT WOLF

Through Bob's leadership, the Class of 1958 has thrived as one of the SHS Alumni Association's most cohesive class organizations. His affection for Susquehannock and his respect for its ideals have set a benchmark by example. He has honored many individuals by establishing scholarships. Mr. Wolf was a past recipient in 2010.
