SOUTHERN YORK COUNTY SCHOOL DISTRICT FOUNDATION

The Southern York County School District Foundation Story

The Southern York County School District Foundation was organized in 1997 as a charitable organization under laws of the Commonwealth of Pennsylvania and Section 501(c)(3) of the Internal Revenue Code.

While many school district foundations work only to obtain scholarship funds for the benefit of graduating seniors, the Southern York County School District Foundation provides giving opportunities for scholarships, projects, equipment, supplies, and other purposes for the benefit of students in the Southern York County School District.

An overarching goal of the Board of Directors is to maintain its financial viability into perpetuity through cultivating long-term relationships with donor-partners and to build our endowment fund. The scholarship program now features 43 permanently endowed scholarships and continues to grow!

The Foundation also actively seeks grants and gifts for specific school district projects. Such funds recently were used to purchase technology for all elementary schools and to fund innovative classroom projects through a competitive grant program.

For further information, please contact Susan Green, Executive Director, Southern York County School District Foundation, PO Box 128, Glen Rock, PA 17327. Email address: susan.green@sycsd.org.

A Message from the President

Dear Friends of the Southern York County School District Foundation:

The Foundation had another incredible year! We are so proud of our students and were pleased to distribute 158 scholarships to 110 students, totaling over \$124,000. Although our Scholarship Awards Ceremony was virtual, the video was a success with over 1,000 views. The video can be viewed here: <https://youtu.be/ET6-CqlzYnk>. The Foundation donors continue to make a meaningful difference in the lives of our students!

While the scholarship program assists our students in post-secondary education, the Foundation also helps our students and the entire Southern York County Community in so many other ways. Please take a moment to learn about the other programs administered by the Foundation, such as the Innovative Grant Program. This program provides teachers within the Southern York County School District the monetary funds to implement innovative projects to extend learning beyond written academic standards and develop additional opportunities for the students of our District.

The Foundation also championed both the Thank You Card Contest and the Green Thumb Club, which provided students with real-world learning. The winning cards in the Thank You Card Contest were mass-produced and given to donors and the Green Thumb Club flowers were given out to families who picked up meals and were also planted around our campuses.

I would like to extend a heartfelt thank you to those who have donated to the Foundation, many of you have been involved for years. The Foundation embraces the Southern York County School District's commitment to "make a difference in the lives of students, one Warrior at a time."

*Sincerely yours,
Glenn Geiple, '72*

The Southern York County community has a long history of working in a collaborative manner to enhance the opportunities for students. To this end, gifts for scholarships, projects, equipment, and supplies may be donated in many ways.

General Contributions - Non-specific contributions of any amount are greatly appreciated and are used to fund our general scholarship program. We encourage donors to give general contributions.

Named Scholarships - This is a wonderful way to honor someone or one of your favorite organizations. You may establish a scholarship fund using criteria you select. We ask that annual awards be a minimum of \$500. In addition, many of our donors have chosen to give to an already named scholarship to increase the value of the scholarship.

Endowment Program - Foundation endowment funds are managed by the York County Community Foundation and are designated to support specific scholarship programs for perpetuity. The endowment funds now have \$791,979 in assets, including both the Dollars for Scholars and the Hester Hemminger Endowments.

If you want the annual earnings from your gift to be directed to a named scholarship, we ask that the gift be \$10,000 or more. We use an earnings assumption of 5% so that an endowment of that amount will fund \$500 annually. Named endowments will be shown separately in our financial reports, and recognition will be made, as you direct, at the time of annual distribution.

Susquehannock Innovative Grant Program - This is a partnership between Susquehannock High School Student Council and the Foundation. This program funds grants for innovative classrooms or extracurricular initiatives.

Employer Gift Matching Program - We are recognized by the Internal Revenue Service as a charitable organization and qualify for most employer gift matching programs. We will happily assist with any necessary paperwork.

Tree Dedication Program - The Foundation sponsors a program that allows a donor to honor or memorialize an individual, organization, or event by dedicating a tree on the Susquehannock, Friendship, or Shrewsbury campuses.

Peggy Kingman Memorial Welfare Fund - Donations are used for the School District's welfare fund. This fund continues to be a preference for donors wishing to help our students in need with items such as eye glasses, backpacks, and lunch money.

Leave a Legacy Program - The Southern York County School District Foundation is a proud partner of Leave a Legacy York County. Consider leaving a legacy that will enrich the lives of students for future generations.

PA Educational Improvement Tax Credit - The PA Educational Improvement Tax Credit (EITC) Program gives tax credits to businesses contributing to scholarship organizations and/or educational improvement organizations that are approved by the Department of Community & Economic Development (DCED) under Act 48. The Southern York County School District Foundation is an approved organization.

A gift to the Southern York County School District Foundation can provide your business with a substantial tax credit through the EITC program. At the same time, you can impact the quality of our schools by providing additional opportunities for our children.

Generous EITC Business Partners - The students of the Southern York County School District benefited significantly in 2019-20 from the generous contributions of our EITC business partners. Contributions to the Foundation through the EITC program were used to support the School District's Classrooms Without Walls program, which placed additional technology in the hands of elementary students.

The following business partners supported our schools and students by donating to the Southern York County School District Foundation through the EITC program:

• **PeoplesBank, A Codorus Valley Company: \$20,000**

• **BB&T: \$2,000**

• **York Water Company: \$1,000**

Named Scholarships and Awards

Class of 2020 Recipients

The Foundation is an affiliated chapter of Scholarship America "Dollars for Scholars" (DFS). Accordingly, scholarship distributions carry the additional benefits of this designation. Colleges generally do not reduce their award package for scholarships through a DFS program. In fact, some colleges match a DFS scholarship in the student's financial aid package. Recipients attending a Pennsylvania college may also be eligible for Pennsylvania's matching Partnerships for Access to Higher Education (PATH) program for students demonstrating financial need.

Susquehannock High School Alumni Association

The Susquehannock High School Alumni Association is a vital component of the Foundation. In addition to promoting a large variety of programs and events designed to promote and foster pride, loyalty, and lifelong commitment to the school and continued relationships among its graduates, the Association raises funds for scholarships and many other programs. The Association sponsors homecoming events, creates and distributes monthly newsletters, and keeps the membership roster current through its website (<http://www.sycsd.org/alumni>).

Alumni Spirit Award

The Susquehannock High School Alumni Spirit Award is presented each year to an individual who exemplifies outstanding school spirit for an extended period of time. The Spirit Award recipient for 2019 was Mike Acierno. Acierno retired from Southern Middle School in 2008 after a 36-year teaching career at Southern. He also served as the ski club advisor and continues to assist with athletic events for several sports teams at Susquehannock. Acierno's positive attitude has enriched Susquehannock Alumni and the community.

2020 Distinguished Alumni

Each year, the Association selects a Distinguished Alumni who serves as a speaker at commencement. In 2020, this prestigious award was presented to Summer Britcher, '12. Summer grew up in Glen Rock, Pennsylvania. She was introduced to the sport of luge in 2006 through a recruitment program at Ski Liberty. She has been a member of the USA Luge National Team for the past seven years and has competed in two Winter Olympic Games, 2014 and 2018.

Summer has had an amazing athletic career. As of 2020, she has the most World Cup wins of any individual USA Luge athlete, with five World Cup wins. She has captured 22 World Cup medals, two Overall World Cup bronze titles, a World Championship Bronze medal, and she won a Youth Olympic Gold medal in 2012 while attending Susquehannock.

She lives and trains in Lake Placid, New York. In 2019, she was elected by her peers and competitors to serve a four-year term as an International Athlete Representative to the International Luge Federation (FIL). Summer is also a member of the FIL Technical Commission, which oversees the rules and regulations of Luge.

"Thank you so much for the generous scholarship. I am forever grateful, and I won't ever forget about it! I will use it well as I study engineering at Penn State Harrisburg. Again, thank you for making my life better with this blessing. I will make you proud!"
