Welcome to Term 5! We hope you had a lovely Easter break and enjoyed some sunshine! We are ready to get rolling with a very exciting and busy term. You will receive your child's class newsletters to gain an understanding of their learning this term. As always, if you have any questions or require any support—please speak to your child's teacher or the office.

Thank you to all the Parents and Carers that came to our Year 5 Art Exhibition at the end of term 4. Year 5 created self portraits using different media and showcased these to Parents and Carers. It was an incredible turnout and the children were so proud of their work. If you still want to purchase any of your child's work, please speak to their class teacher. Comments from Parents included:

"Expressive use of colours and mediums"

"Wonderful display of art, love the books they are using, good quality paper"

"I just want to look at them all day and could buy so many!"

If you have any Safeguarding concerns or wish to report or discuss any issues, please email safeguarding@thebairdprimaryacademy.org.uk

The RNLI visited Year 5 and 6 on Wednesday, to talk about water safety. It was a really informative and interactive session which the children really enjoyed!

Please ensure you are keeping up to date with emails that are sent out via Parent Pay.

This could include information regarding trips, after school club cancellations, changes to lunch options.

If you are unsure how to access or use Parent Pay, please pop in to the Office who will be happy to help.

WHAT IS FINGERSPELLING?

Fingerspelling is the British Sign Language (BSL) alphabet. It's used to spell out words, such as names of people and places. However, fingerspelling alone is not sign language.

To learn more about fingerspelling and BSL, contact us today. Our Information Line offers free, confidential and impartial information on a range of subjects relating to deaf issues, hearing loss and tinnitus.

Together, we'll make life more inclusive for people who are deaf, have hearing loss or tinnitus.

In the UK, 1 in 5 adults are deaf or have hearing loss and 1 in 8 have tinnitus. Together, we campaign for an inclusive society.

We connect people to practical advice and fund research to pioneer new treatments for hearing loss or tinnitus.
