Tuesday, January 2, 2024

Timothy Holman

Director of Facilities & Maintenance

# Cheltenham School District

## Mission and Vision Statements

### **MISSION STATEMENT**

The mission of Cheltenham School District is to provide inspiration and resources for every student to achieve academic excellence and pursue their highest potential by creating an equitable and inclusive community that fosters social and emotional well-being and a passion for learning.

### **VISION**

“Belong, Engage, Seek Justice”

Cheltenham School District is a community where all students know they belong, engage and excel in their learning experience, and are prepared to act as champions of social justice.

# District-Wide

Re:Vision is an architecture and sustainability consulting practice composed of purpose driven people committed to re-visioning and restoring the balance between natural, built, and social environments

# hello!

It's great to meet you and we appreciate your time today.

# The value of a sustainability plan:

---

- ✓ **Focused, aligned, and adopted sustainability vision**
- ✓ **Stakeholder consensus building**
- ✓ **Future fiscal considerations:**
  - *Capital budgeting, grants, fundraising, etc*
  - *Incorporation with major project planning*
  - *Operational expense reduction*
- ✓ **Educational tool**

# What excites us about the project:

---

*Triple-bottom line win for the community*

*Stakeholder engagement – especially with students*

*Educational and high performing built environment*

*Regional leadership*

*Reinforce and advance Cheltenham community values*
