

# West Muskingum High School

*Home of the Tornadoes*

April 22, 2024

Hello West M Family,

As many of you already know, we are holding prom at the high school on Saturday, April 27th. We are excited for the opportunity to have prom in our building again this year. To help make the night a success, we will need cooperation from all attendees and parents of attendees.

To All Parents of Prom Attendees:

- Promenade will be from 6-7pm. Parent viewing area will be in the teacher parking lot. Parent parking will be in the back of the student parking lot.
- **Please be aware that parents of attendees will not be allowed inside the school building. Please take all pictures beforehand/outside. Thank you.**

To all Student Prom Attendees:

- We are asking all students to drive themselves to the school and park in the student parking lot. Students will park their own cars and walk up to the corner of the sidewalk located by the high school weight room for Promenade.
- Students will walk down the sidewalk in front the store while their names are called.
- **Please arrive between 6 and 7pm. You will not be allowed into the building before 6pm or after 7pm.** Please arrive on time! Dinner is promptly at 7pm.

In Case of Inclement Weather:

-If there is inclement weather during the hours of 5-7pm, promenade will be canceled and students can arrive at the front doors of the high school beginning at 6:30pm.

We hope everyone has a great Prom and thank you in advance for your cooperation! If you have any questions, please contact Julie Wolfe, Bethani Gasparine or Brady Harrison at the high school (740-452-6312).

Sincerely,

Julie Wolfe [jwolfe@westmschools.org](mailto:jwolfe@westmschools.org)
