

KIDS AFTER SCHOOL RECREATION & ENRICHMENT K.A.R.E.

Dear Families:

We would like to welcome you to our K.A.R.E. Programs. Please feel free to visit our program at any time. This program is for you and your children. We look forward to your visits and input. Our programs are licensed by the Michigan Department of Human Services, LARA Division.

The purpose of this handbook is to let you know what is expected during your child's enrollment with us. Hopefully, this will prevent any misunderstanding. If you have any questions or suggestions, please contact the Early Childhood Program Director or Latchkey Site Supervisor. Be sure to turn in the Handbook Agreement Form with your signature.

PHILOSOPHY:

Our program provides a healthy atmosphere in which children can make friends and enjoy activities that are appropriate for them.

We strive to provide a safe haven for school-age children. We provide this service to give parents peace of mind in knowing that your children are being properly cared for and enjoying friends while you are working.

NON DISCRIMINATION STATEMENT

It is the policy of the Board of Education and the School District not to unlawfully discriminate on the basis of handicap, race, color, religion, national origin, sex, age, marital status, height, weight, sexual orientation or gender identity. The District reaffirms its policy to comply with Title VI and VII of the Civil Rights Act of 1964, Rehabilitation Act of 1973, the Elliott-Larsen Civil Rights Act, the Michigan Handicappers' Civil Rights Act, Americans with Disability Act of 1990, and all other applicable Federal and State laws and regulations prohibiting discrimination.

DIVERSITY STATEMENT

The Southgate K.A.R.E. Program values diversity within the student population, staff and community. Diversity includes race, ethnicity, disabilities, sexual orientation, gender, religion, culture, function, hierarchy, physical ability, physical appearance, language, lifestyles and geographical origin. It is mandatory that all Southgate K.A.R.E. Program staff demonstrate cultural responsiveness in their daily work and interactions with students, families and colleagues.

DISCIPLINE:

The staff handles discipline problems in a positive manner. We encourage self-control, self-direction, self-esteem and cooperation. Our goal is to incorporate a happy and positive learning environment for all our students. Students with unacceptable behavior will be redirected to help them calm down. The staff will discuss their behavior with the child. This discussion will include ways to correct or avoid the problem the next time. A staff member will discuss ways to correct unacceptable behavior. Our staff will work with students who display unacceptable behavior and discuss methods to correct the problems. However, students who consistently disregard the Center rules can be dismissed from the K.A.R.E. Programs. Steps taken before dismissal will be:

The first time a child hits, kicks, bites, spits at another child or teacher, poses a threat to the physical, emotional or mental health of other children, uses foul language/gestures, purposefully destroys another person's property, willfully runs away from a staff member, or demands an inordinate amount of staff time, the parent(s) will receive a written behavior report. The second time any of the above mentioned occurs, the parent(s) will receive a written behavior report and the child will be suspended from the childcare program for one day. The third time any of the above mentioned occurs, the parent(s) will receive a written behavior report and the child will be suspended for five days. The fourth time a child will be permanently suspended from the current year program(s) and Parent / Legal Guardian must meet with the Superintendent before returning to the latchkey program the following year. Incident reports will be on file.

Center rules include:

- K.A.R.E students are expected to behave in a proper manner.
- K.A.R.E students are to be courteous to fellow students and staff.
- K.A.R.E students will respect the rights and property of others.

Based on space availability and staffing, children may attend days they are not regularly scheduled to attend. See Drop-In Care below for more information.

DROP-IN FLEX SCHEDULE

Weekly or Monthly Schedules Please notify the staff ahead of time if your child will be using the drop-in service during any before or after school sessions by calling your school's program. *For drop-in schedule, you must provide a 24 hour notice to latchkey staff to confirm availability for that day. Drop-in funds can be added to your online account as a credit or you may be billed with the expectation of paying immediately after using the service. Families may not run an ongoing accumulation of drop-in fees on their account.

EMERGENCY SCHOOL CLOSINGS:

Cancellation *before* the school begins each day:

Whenever the Southgate Community School District cancels classes due to the weather or some other emergency, **Latchkey will also be closed.** Look for a message from the Superintendent and local news stations for information concerning school closings.

Cancellation *after* school is in session:

In the event that classes are canceled due to weather or other emergencies after the school day has begun, **Latchkey will be closed. Children will be dismissed directly from their respective schools to the parent/guardian or emergency contact.**

Please make arrangements with someone for the supervision of your child (ren) if this situation occurs. Names and phone numbers of these people should be listed on your emergency card so your school can assist your child, if necessary.

LATE CHARGES:

When a parent picks up a child after 6:00 pm, there will be a late charge of \$1 per minute. Please be prepared to pay the late pick-up fee when you pay your next scheduled tuition payment. Children **may NOT return** to the Latchkey program until a late pick-up charge has been paid. After a second late pick-up occurrence, a conference will be scheduled with the Program Director.

We discuss good nutrition in our programs. Some food items may not be allowed in the room because of food allergies. If applicable, a list with these food items will be posted.

DAILY ACTIVITIES:

Students are engaged and are encouraged to help in the planning of activities for outdoor, indoor, crafts and snack ideas that happen throughout each month. (subject to change if things are not going as planned)

Creative Time - This is available after arrival and before departure. A variety of planned and supervised activities are available to choose from. A quiet area is always available for students to read or relax.

Nutrition Time - Students can relax and share conversation with other students and staff while enjoying a snack.

Outdoor Time – Fresh air has been shown to promote better health in children, so weather permitting, outdoor play is scheduled every day. A physician’s note is required for children that cannot participate in outdoor activities because of illness or chronic conditions. These are children who are also precluded from outdoor activities / recess during the school day.

Project Time - Projects and crafts are available to stimulate creativity and challenge the children's present abilities while increasing basic competency levels.

Homework Time- Time for students to work on any homework they may have to complete before going home. This way they have additional time to work and have additional support during the school hours.

Student Behavioral/Social-Emotional Support - The Latchkey Program strives to encourage children to respect themselves, others and property. Interacting positively, sharing, taking turns. Children are encouraged to problem solve and express their feelings and needs in response to conflicts which may arise. Please communicate with your child’s teacher if there are any significant issues or changes that may impact your child’s emotional state and therefore, his/her behavior at school. This will allow us to support your child in the most beneficial and appropriate manner throughout the school day.
