NOTAS DEL DIRECTOR DE FAIRVIEW

Promoción de la seguridad y el apoyo: un llamado a la acción de la comunidad para los eventos de graduación y posteriores a la graduación

A medida que nos acercamos al baile de graduación en tres semanas, es crucial que toda nuestra comunidad dé prioridad a la seguridad y el apoyo a nuestros estudiantes. Las recientes tragedias en las fiestas de graduación subrayan la importancia de promover eventos seguros después de la fiesta de graduación. Unámonos para garantizar que nuestros estudiantes tengan una experiencia memorable y segura.

CULTURA DEL CASTILLO

Construyendo una cultura de respeto: Iniciativa de la escuela secundaria Fairview para el mes de concientización sobre la agresión sexual

Culture of Respect: In collaboration with Boulder High School, we are calling all student-athletes, coaches, and community members to participate in the Culture of Respect project to commemorate Sexual Assault Awareness Month in April. One of the components of this project led by Fairview and Boulder High Students includes gaining widespread interaction with club leaders involved in advocacy and Fairview athletic teams in an effort to foster a community of unity and belonging. Please join our athletes in committing to the Culture of Respect. Pledge to help us realize this goal. I Pledge to Uphold a Culture of Respect by:

- *Respecting other people's boundaries
- *Being aware of the words I use around myself and others
- *Stepping off the sideline and being a part of the solution
- *Treating ALL FHS community members with dignity, equality, compassion, kindness and respect.

Thank you to Bella Chang & Maya Sevalkar for leading this initiative! Thank you to our Athletic Director, Assistant Principals, Coaches, Sports Captains, athletes, teachers, and BVSD for supporting our Culture of Respect. Also, thank you to Finnley Dancy who will be attending United States Military Academy at West Point. Finnley is a 4 year varsity player and our Captain this season. Empowering Safe2Tell Student Ambassadors: Join the Movement for Safety and Mental Health Awareness at Fairview!

School administrators play a vital role in bridging the gap between students and programs like [Safe2Tell](#). The **Safe2Tell Student Ambassador program** is a powerful vehicle for promoting safety, mental health awareness, and violence prevention within schools. This program brings together high school students to promote mutual understanding, increase leadership skills, and prepare youth to make a difference in their communities. Our Student Ambassadors serve as positive role models and share Safe2Tell resources with their schools, adding a peer-to-peer element to understanding Safe2Tell. We are currently recruiting new student ambassadors for the 2024-2025 school year. [Click here to learn more.](#)

Springtime Alert: April Marks Alcohol Awareness Month - Let's Talk Teen Drinking!

Happy Springtime Knights! April is Alcohol Awareness Month, and it's crucial to address teen drinking, especially with Prom and Graduation approaching. Parents' attitudes play a significant role in shaping teen behavior, with about 80% feeling parents should have a say in their alcohol consumption. Binge drinking, defined as 4 or more drinks for females

and 5 or more for males in about 2 hours, poses serious risks, including cognitive impairment and lifelong substance abuse issues. [Click here](#) to learn more about starting the conversation with your teen through SAMHSA's 'Talk They Hear You' campaign. Have a beautiful spring!

When to Keep Your Student Home

La temporada de gripe (y otros virus desagradables) ya está aquí. Aquí hay un repaso rápido sobre cuándo mantener

tu hogar de estudiantes. Recuerde, el Departamento de Salud de Colorado todavía recomienda que, para casos confirmados de Covid, el estudiante permanezca en casa durante 5 días de aislamiento y luego use una máscara durante 5 días después de regresar a la escuela.

BVSD no hace cumplir esto ni da seguimiento a ningún informe de casos; esto es solo una mejor práctica. Para cualquier otra enfermedad la póliza es la misma de siempre. [Haga clic aquí](#) para obtener información sobre cuándo mantener a su estudiante en casa.
