Math-By-Mail (Entering Gr. K-6)

Instructor: Math by Mail

Keep your math skills sharp over the summer! This “pen pal-like” program provides students the opportunity to practice previously learned math concepts and to build confidence. Students will take a pretest and fill out a questionnaire to individualize their program. Students will then receive nine weeks of lessons. Each week’s packet will include five math lessons with problem-solving activities. The activities will apply to a specific math concept. After the student has completed a packet, they will mail it in. We will make corrections, provide feedback, and mail it back. Students may start and finish the course at their own pace. When all lessons are completed, students will receive a certificate of achievement and a restaurant meal coupon. *Packets mailed by July 1.*

#2700A_Gr. K-6 10 weeks \$109

Math-By-Mail (Gr. 6-9)

Middle/High School Prep

Instructor: Math by Mail

Math-by-Mail is expanding its options to do math! How exciting! We continue to serve upper elementary through 9th grade. Not only are we offering our predetermined set of 8 packets, we will also offer an ala carte menu! Our added approach allows for individual choice regarding the skills and concepts students and parents can request to build math confidence. Still an 8 week course with a self paced approach! Student completed packets should be mailed (USPS) to Math-by-Mail. We will then provide feedback and return corrected packets to students via USPS. As always the goal of Math-by-Mail is to provide rich content to maintain mathematical understanding! *Packets emailed between June 10 & July 1.*

Mountain Bike Ninja (Ages 8-11)

PLHS Mountain Biking Team & Coaches

Get your bike tuned up; kickstands off, brakes working, gears shifting, stems and bars tight & chains lubed to learn some new skills to attack the single-track! Clinic will teach safety, basic bike skills and techniques, and trail riding through demonstration, drills, and games. Clinics will be taught by current PLHS Mountain bike team members and coaches. Clinic will be held at Redtail Ridge Elementary and Murphy Hanrahan Singletrack Trail. Each class will begin and end at the upper-level parking lot of Redtail Ridge Elementary. **A properly functioning mountain bike (no BMX or street bikes), bike helmet, and close-toed shoes are required.** *If you can ride Murphy Blue easily, this class is not for you.

What is ECFE?

ECFE is a program that strengthens families with young children through play, education and support. It is unique to Minnesota.

Did you Know?

ECFE is not just for parents! All special grown-ups are invited to participate in ECFE! Grandparents, nannies, aunts and uncles all enjoy and participate in classes. All participants need to be registered to attend.

Parent/Caregiver Perks:

- Support and encouragement in your role as a parent or caregiver
- Current research-based information on child development
- Peer connection: We are in this together!
- Community connections: Awareness of community resources and support services
- Dedicated time together with your special little one

Child Benefits:

- Forming friendships
- School readiness support
- Dedicated time together with your special grown-up

ECFE Fees:

ECFE uses a sliding-fee scale based upon your household's annual gross income. Scholarships are available for families who live in Prior Lake-Savage Area School District.

Childcare is available during most classes for siblings from 7 weeks to age 6. A child under 7 weeks old may stay with their parent. Register for sibling care at the same time you register for a class. This is a family per session fee, not an individual fee per child.

Early Childhood Screening

All children between the ages 3 and 5 years old need to participate in a screening before kindergarten. Sign up for a screening appointment online at www.priorlakesavagece.com or call 952-226-0975. We look forward to meeting your family.

All residents of the district are required to be listed on the census, including new babies, all preschoolers and new families in the district. Call the District Services Center at 952-226-0000. Having your name on the census will ensure that you receive information about Early Childhood Family Education and Screening, kindergarten registration and other pertinent district news as your child reaches school age.

Early childhood development milestones to age 5

Every child is unique. No two children develop, grow and learn at exactly the same pace. And yet children develop in predictable ways. Take notes as your little one learns. Babies and toddlers are growing, learning and changing all the time. It's fun to watch! We suggest you keep track of the new things they do and the milestones they reach. If you are concerned about your child's growth, development or learning, we encourage you to contact us at [HelpMeGrowMN.org](https://www.HelpMeGrowMN.org) or 1-866-693-4769

Toddler Playtime (Ages 12-30 mos)

Bring your little one to their very own playtime where the focus is on fun activities, education and support from other parents and an early childhood teacher. Together, parents, caregivers and children enjoy exploring art, books, stories, active play, songs, rhymes and lots of fun! Playtime will enhance small and large motor skills, self-esteem and social skills, plus there are new friends for everyone.

EARLY CHILDHOOD SCREENING

Minnesota requires all children to be screened before entering public school kindergarten. The screening is most valuable soon after your child's third birthday and gives you and your child an early connection to PLSAS.

Screening is FREE and includes growth, development, and immunization checks. Your child will be assessed in preschool concepts, communication skills, motor skills and social-emotional skills.

If your child has already been screened in HeadStart, in another school district, or your own medical resource, please provide the screening report. Children only need to be screened one time. Children do not need to be screened if they have an active Individualized Education Program (IEP).

Parents can choose to conscientiously object to screening for their child. If you object, please provide a signed statement indicating your conscientious objection to screening.

- ✓ Screening is FREE

Charting Our Course: Our District's New Strategic Plan will Launch Soon

I am thrilled to announce that our district's new strategic plan will launch this summer! This new plan will reflect a shared vision among stakeholders and will guide our district's growth and development for years to come.

I am proud of our inclusive process which ensured the diverse voices in our community are heard. Crafted through extensive collaboration and input from teachers, support-staff, parents, students and community members, our new strategic plan will reflect our unwavering commitment to providing an exceptional learning experience that empowers every student to thrive in their educational journey.

Last refreshed in 2018, this new plan will signify a thorough review and update that began in January. A Core Team comprised of district parents, staff, students and community members convened five times from January through May to review and synthesize hundreds of input comments collected during six community meetings. Together, they will identify and draft key priorities that will shape the roadmap for learner success in PLSAS.

From there, the draft plan undergoes review from the School Board who will ultimately take action on a new strategic plan for PLSAS. As we prepare to unveil our new strategic plan this summer, I encourage all stakeholders to join us in this exciting endeavor. Your support and engagement are integral to the successful implementation of our goals and objectives.

This summer you can expect to receive more details outlining the new plan. In the meantime, you can view our process and planning updates here: www.plsas.org/strategicplan I am confident that together, we will realize our collective vision for all students in our district.

Thank you for your continued support and dedication to the success of our schools.

Yours in partnership,
Dr. Michael Thomas
Superintendent

Advisory Council

The purpose of the Community Education Services Advisory council is to recommend areas of program development, expand and improve communication, assist in the coordination and elimination of duplicate programs and services, promote the community education philosophy of lifelong learning and to recommend appropriate program offerings and budgets.

MISSION

The mission of the Prior Lake-Savage Area Community Education Services Program is to enhance the quality of life for all citizens by helping to provide opportunities for individuals to reach their full potential and contribute to their communities.

To accomplish this mission requires that parents, family, schools, faith communities, businesses, community organizations and all people living within our community work together. This can be done through a cooperative effort in meeting the recreational, educational, social and cultural needs and wants of the community.

MEETINGS

This council meets on Thursdays from 12-1 pm at Community Education, 5061 Minnesota St SE, Prior Lake. There is an in-person and virtual option to attend. Lunch provided for those attending in-person.

**The meeting dates are:
September 19, November 14, January 9, March 13, May 8**

Big Brother Big Sister

You can make a positive difference by volunteering your time to a child. Can you help a child THINK BIG? There is always a child in need of your FRIENDSHIP, so don't wait any longer. The FOCUS is not on spending money but spending time with a child, building a trusting friendship. You can share a walk in the park, play games, hobbies, recreational activities, run errands, bake cookies or sit and talk. **Please call 651-789-2400.** Your assistance in helping to recruit volunteers in your community is always most appreciated.

WIC (Women, Infants and Children)

WIC is a nutrition education program for women who are pregnant, nursing or postpartum and for families with infants and children under age five. The program provides nutrition information, counseling for pregnant and nursing mothers and supplemental foods such as milk, cheese, juice, cereals and infant formula to promote good health. WIC eligibility is based on household income guidelines. Appointments must be made in advance. **If you live in Scott County please call 952-496-2125 or check the website at www.capagency.org for more information.**

Supplemental Nutrition Assistance Program

SNAP Formerly know as Food Stamps, helps Minnesotans with low incomes get the food they need for nutritious and well-balanced meals. The program provides support to help stretch your household food budget. It is not intended to meet all of your household's food needs. It is a supplement. If you are approved for SNAP, you can use your benefits at many stores, farmers markets and senior dining sites. For more information call 1-800-657-3698 or fns.usda.gov.

Online - Classes will be taught as interactive webinars which are accessible on most computers, phones and tablets. You will be emailed a link to the class with further instructions, 2-3 days before the start of the class. Please provide a valid email address during registration.

Off-site - Class location information is located in the catalog under the class section. You may also find location information in the course confirmation emailed to you at the time of registration and also in the course reminder emailed two days before the class start date.

Class Confirmations | Community Education (CE) does not mail class confirmations. If you provide an email address at the time of registration, a confirmation will be emailed to you. We will contact you by phone or email if there is a change. Please list a daytime phone number so we can reach you if a class is cancelled. If there is a last minute change, signs are posted at each site with your class information including class title, room numbers and times of classes.

Cancellation | Community Education reserves the right to withdraw a course due to lack of enrollment or loss of a suitable facility. If we have to cancel a class, every effort will be made to contact all the participants who preregistered. Please include on your registration form a phone number where you can be contacted during the day. Community Education assumes no responsibility for reaching registrants who do not provide an accessible daytime phone number. When ever possible messages will be left on voicemail. If an email is provided at time of registration, notifications will also be sent to the email provided.

Classes may be cancelled due to inclement weather or for other unavoidable reasons. These sessions are made up whenever possible. If school closes during the day due to bad weather, Community Education will cancel all activities. Cancellations will be communicated via text message and/or email. All outside programs will be moved indoors if an appropriate space is available.

Refunds | Class cancellations requested no later than 4:00 pm, five business days prior to the first day of class may be eligible for a refund. Processing fees will be deducted from all refunds. To avoid these fees, please call us first if you plan to change your class or move to another session.

- Class Fee = (\$0-\$29) - Processing fee of \$5 deducted from refund.
- Class Fee = (\$30-\$149) - Processing fee of \$10 deducted from refund.
- Class Fee = (\$150+) - Processing fee of \$10 deducted from refund.

Refunds are not issued after 4:00 pm five business days before a class starts, due to commitments made to the instructors. Call or visit the CE office to cancel a registration.

Community Education reserves the right to withdraw a course due to lack of enrollment or loss of a suitable facility. Participants will receive a full refund for CE initiated cancellations. Full refunds are also issued for weather cancellations, if a course cannot be rescheduled or if the rescheduled date does not work for the participant.

Special Requests | If special assistance/accommodations is needed to participate in a Community Education Program, please contact us at least 2 weeks prior to start of program to allow enough time for special accommodations. SPED services may be provided based on student qualification.

Participant Waiver | Registration for any class waives all rights and claims for any and all injuries from whatever cause suffered by participation in activities.

Student Absences | To be eligible to participate in CE programs, classes or events, students are expected to be in school all day. Students who are ill or miss for other reasons not considered excused absences will not be allowed to participate in Community Education programs that day.

Lost or Stolen Items | CE is not responsible for lost, stolen or damaged items. Please do not bring valuables with you to class.

Non-endorsement Policy | Prior Lake-Savage Community Education works with specialists in their fields who are interested in presenting classes in their areas of expertise to the community. We do not endorse the opinions or business affiliations of the instructors.

All financial seminars are carefully screened to ensure they are strictly informational in nature. Although most seminars are presented by professional financial planners, the design is non-biased and non-sales oriented. You will not be pressured to make a purchase or meet with sales people. We prohibit the direct distribution of flyers, pamphlets or marketing materials that promote specific products, services or companies. We do, however, offer you the opportunity to receive an instructor's business card or you can ask for more information should you have additional, specific questions that go beyond the content or time frame of the seminar. We hope your participation in these programs will be enjoyable. For questions, call Jenny at 952-226-0315.

Registrations are on a first-come, first-serve basis and open to adults 18+ unless specified. Pre-registration is required for class participation. Registering online is the quickest and easiest way to guarantee your spot.

Privacy | The information requested during registration will be used to verify eligibility as well as determine staff, facility and equipment needs. Your registration information may be provided to school district staff, volunteers, instructors, the school district attorney, insurer and auditor. Your email information is for internal use only and will not be sold or solicited. Photographs or videos of classes in action may be taken and used for district publications and web pages. If you object to having your likeness used, please notify the CE office at 952-226-0310 each time you register.

Tuition Assistance | Tuition assistance and payment plans are available to residents of PLSAS. Assistance of 50% of class fee up to \$100 is available for one program per PLSAS resident in each catalog season (Youth or Adult). Some programs are not eligible. Call 952.226.0310 for assistance.

Discounts | UCare members may be eligible for a \$15 discount on many classes in this catalog. If a class is less than \$15, the member may take the class for free. Members must be a UCare member at the time of the registration and throughout the duration of the class. Members need to include their UCare ID number when registering. Limits and restrictions may apply.

Satisfaction Guarantee | Please call the CE office at 952-226-0310 if you are not satisfied with any class or activity in which you participated. We appreciate being notified as soon as a concern is noticed so that we may have the opportunity to improve the program for all participants.
