Blessings on your next adventure!

40 years ago I graduated from Timothy. And now, Timothy has once again prepared me for the next step—chaplain at a Christian School in Thailand. I am overwhelmed with gratitude for my 24 years at Timothy and for the Timothy community.- **Mr. Wiener**

My time here at TC has been an adventure. You've celebrated major life events such as my marriage to Edwin and the birth of my grandson, Oliver. You have stood with me in solidarity and humility as I faced challenges; as people do who are rooted in Christ and community. This indeed has been an adventure, but also a lesson in faithfulness and obedience. And I thank the Lord for His placement of y'all in my life. See ya later- **Mrs. Garcia**

Growing up, I dreamed of being a teacher because of the positive impact my amazing teachers, friends, and community at TC had on me. It has been a dream come true to be a teacher at Timothy Christian...so much more fun than when I would play "school" & teach my stuffed animals as a kid. Jeremiah 29:11, " For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

-**Mrs. Buma**

Yvonne Cruz

1. In one word, how would you describe a typical day as a TC office member?

Riveting

2. What was the funniest experience you've had working here?

In the 14 years of being here at TC I have had so many funny moments. Maybe one I can safely share is when a student ran away from me and I had to crawl under the bleachers to just sit and talk with them until they came out. Seeing me try to crawl under there was comical.

3. How long have you worked here, and what's your connection to Timothy outside of being an office member?

I found Timothy through Google 14 years ago when my youngest son was going into Preschool and my oldest was going into Kindergarten. I started as a volunteer in the ES in 2009 and worked in that building for many years and in different roles. I transitioned over to the HS three years ago.

4. What has been your favorite aspect about being a part of the office staff here at Timothy?

We get to be moms to 400 students. Sometimes they need prayer or sometimes they just need a Band-Aid. I am glad we can be here for all of their needs big or small.

5. Favorite TC tradition?

Octoberfest

6. What is your favorite thing to do outside of school?

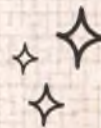

Spend quality time with my family.

7. Favorite Bible verse/s, and why?

Psalm 46:10, "Be still, and know that I am God." No matter the situation I must trust that God is in control and always working behind the scenes. I would like to always remain still and know where my faith and hope lie. I know sometimes it is easier said than done.

Barb Stoll

We appreciate

1. In one word, how would you describe a typical day as a TC office member?

Atypical.

2. What was the funniest experience you've had working here?

Oh, wow. That's a loaded question. We've had several moments of hysterical laughter in the office, but most of the stories that led to that laughter probably shouldn't be listed in the yearbook. HAHA!

3. How long have you worked here, and what's your connection to Timothy outside of being an office member?

2022-23 is my 7th year in the office. Outside of being an office member, I consider myself a "lifer" to Timothy. I attended here from pre-school-12th grade, my dad taught here for 42 years and all four of my daughters with my husband (who I met at Timothy) have attended/graduated from here.

4. What has been your favorite aspect about being a part of the office staff here at Timothy?

I love being one of the "first impressions" that visitors have coming to Timothy. I want to make anyone who walks in the door feel welcome and feel my love for this institution! I also love everyone I work with in the office and honestly, the whole building. It's an honor to be part of the impact that Timothy and its students are having in the world.

Office Staff!

Barb Huizenga

1. In one word, how would you describe a typical day as a TC office member?

Mom... because being in the office sometimes feels like we are everyone's mom. If students come in and feel sick or need anything, we are here for them.

2. How long have you worked here, and what's your connection to Timothy outside of being an office member?

I started working at TC in the fall of 2006, so this is my 17th year here. Outside of Timothy, my husband, siblings, and mom all graduated from TC. All three of my kids also went to TC from preschool through HS graduation. My husband's dad and grandpa also drove the bus for TC many years ago.

3. What has been your favorite aspect about being a part of the office staff here at Timothy?

I have really enjoyed getting to know so many students over the years. We hear a lot of things from students, their best moments and their worst moments. One of the best things is every year when seniors are choosing their colleges and we get a glimpse of the next chapter of their life.

4. Favorite TC tradition?

I think most people would say Octoberfest. It is fun seeing everyone get to know each other better at the beginning of the school year through Octoberfest and seeing the joy when students get to just act crazy in their goofy outfits at the performances. The Christmas Collage concert is a little bit newer tradition, but it's a very special performance.

5. What's the most difficult part of the job, and what can the students do to help out?

It's difficult seeing students struggle with the whole range of emotions that go along with high school. There's stuff at home, peer pressure at school, whatever is bugging people on social media, etc. Students can help out by loving one another and showing respect to their peers as well as the adults at school.

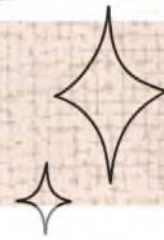

6. What is your favorite thing to do outside of school?

I like traveling (especially to historical sites), cooking, enjoying nature, and just hanging out with my family.

7. Favorite Bible verse/s, and why?

Colossians 3:23, "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters..." We all have jobs to do, whether students or grown-ups, and we need to remember who we ultimately serve. Put in your best effort, whatever the task is. Even if it seems unimportant, it matters to someone and God notices.

all you do!

5. Favorite TC tradition?

Octoberfest...without a doubt! I think every student in the school should participate, but especially Freshmen and new students! What a way to get to know people and have fun doing it! There's nothing like it!

6. What is your favorite thing to do outside of school?

I love spending time with my family and at our family farm.

7. Favorite Bible verse/s, and why?

My favorite Bible verse is Romans 8:38-39 "And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow, not even the powers of hell can separate us from God's love. No power in the sky above or in the earth below, indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord."

I love this verse because it reminds us that God is ALWAYS with us. No matter where we go or what we're going through, He is always by our side.

We are so proud of the beautiful young woman you've become. Congratulations Love, Mom, Dad, and Matthew

Paul Fregoso

We sometimes wish you were still small.
 Not yet so big, strong, and tall.
 For when we think of yesterday,
 We often miss that little boy
 who pestered us to buy a toy.
 Who filled our days with pure delight,
 from early morning to late at night.
 We watched our child change and grow.
 All the while, wishing time would slow
 But our God has a perfect plan
 To shape a boy into a man.
 Today, Paul we are so proud of you
 For all the thoughtful things you do.
 We love you till our days are done.
 And we're so grateful you're our son.
 Love you,
 Mom and Dad

Blessed is man who trusts in the LORD!

Marta Pauline Veenstra

 Love-Mom, Dad, Grace & Etta

For I know the
 PLANS I have for
 YOU,
 declares the Lord,
 plans to prosper you
 & not to harm you,
 plans to give you
 HOPE & a FUTURE.
 Jeremiah 29:11
