## All Day Everyday At Harrison!

Students and their parents who achieved perfect attendance during the first semester were recognized at a Pancake Breakfast last month. Twelve Students received a framed certificate and a special t-shirt that read "All Day, Everyday at Harrison. Thank you to our PBIS Team for coming up with such a creative way to recognize both the parents and the students.

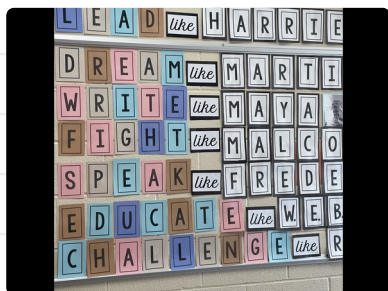

## K-2 Music Class Open House

K-2 students had an opportunity to have a family member visit their primary level music class at the last month. It was a great way for parents to engage in the music learning experience and view

a typical music lesson.

We look forward to the additional music experiences that will be coming soon for our students in grades 3-5. More information will be sent home to our grades 3-5 parents.

## Harrison's Black History Month Experience

Students engaged in Black History related topics throughout the month. In their classrooms, they were introduced to many African Americans throughout history who demonstrated **Fortitude** and **Resilience**. As we move into Women's History Month, we will continue to capture some pieces of Black History offering some combined experiences.

## WOMEN'S HISTORY MONTH

## Celebrating and Honoring Women!

The Women's History Theme for this year is identifying and recognizing "Women Who Advocate for Equity, Diversity, and Inclusion" as we look forward to a positive future. Each day the students will learn about a woman so be sure to ask them to share. We look forward to some additional combined experiences

that will further enlighten our students related to both Black History, Women's History, and lead us into Multicultural Month.

## Display My Art

Display My Art provides a wonderful way to support the creativity of our students. Through this fundraiser, the students will be able to turn their art into a wonderful memory and keepsake for the family. Their art piece will be done at school and soon you will have an opportunity to see their amazing masterpieces. More information to come!

## Harrison's Competency Focus of the Month

The Vision of the Lakewood Graduate (VOLG) Competency focus for the month of March is **Empathy**. Empathy is the capacity to understand or feel what another person is experiencing or to place oneself in another's position. Empathy is an area that we work on in all aspects of our school day. There are some wonderful books at the book fair that reinforce empathy. With each focused competency, we continue to identify students who have embraced the concept and demonstrate understanding through various formats. Students are recognized for demonstrating their understanding of the competencies each month.

## PTA Scholastic Book Fair Info
