

Annual Report 2022 2023

every FAMILY. every YEAR.

ST. MARK'S EPISCOPAL SCHOOL ANNUAL FUND

Dear St. Mark's Families,

We're excited to send you this readable, digital format of the 2022-2023 annual report, as we prepare to move to an annual issue of St. Mark's *Making Our Mark* magazine. It will come out late summer and include our annual report, updates on the School's programming, the next plans for our grads, and a recap of noteworthy events. Watch your mail for the next issue!

As you open this publication of the annual report, you'll see that the Annual Fund continues to be the most important way that we fundraise at St. Mark's, and the best way to support your children's experience here. Donations to this fund impact our ability to provide enhanced curriculum, strong professional development, continually updated technology, and improvements to our facilities and campus.

The success of the 2022-2023 campaign would not have been possible without the amazing leadership of our chairs, Gerardo and Emily Amelio, and our dedicated class representatives. Thanks to their devotion, time, and effort, the campaign was a huge success and raised nearly \$500,000. Because of outstanding parent participation and our faculty, staff, and Board of Trustees participating at 100%, the 2022-2023 campaign was one of the school's most successful to date.

We hope that, as you sit and reflect on the Annual Report, you will take great pride in the success of the campaign and what we do together. Your investment in St. Mark's allows the dreams of teachers and students to become reality. Thank you!

Regards,

Ayesha Spooner
