Valerie and John Volpi
Christine and Garhett Wagers
Julie Huynh-Lu and Chris Wan
Dora De Los Santos-Wilson and
David Wilson

The St. Mark's Annual Fund provides for enhanced learning experiences throughout each student's career at St. Mark's. Each activity is thoughtfully planned to add to the value of the St. Mark's education. This culminates in spring trips for our middle schoolers to locations such as San Francisco and Washington, DC, and summer abroad trips, that broaden our Lions' perspectives and add a new depth of understanding of the world.
