Make sure your camera is activated

Place your student's badge between the arrows and once it is accepted you will hear a ding or see a check mark.

Clever Badges

Hold your badge up to the camera, lining it up in the square below:

Having trouble? Make sure nothing is covering your badge, and that your camera is working properly. If that doesn't work, you can [log in with your username and password](#)

Choose the program to enhance learning

Select from the following choices:

- 1. Edmentum- ELA or Math**
- 2. Reading Eggs coming soon!!**
- 3. Mindplay (reading and phonics work)**

**Your student will be
working at his/her
— “just right” level.**

Please have your child work independently. Excessive support can alter his/her learning path making the work too difficult for your student.

**This powerpoint will be
uploaded to our school
website in the technology
section**
