## *Planning a class reunion in addition to the Panther Alumni Weekend Celebrations?*

The Alumni office is happy to:

- Provide a class list to connect with your fellow classmates
- Prep themed SWAG Box including decorations, blank name tags, etc.
- Promote your class reunion on the Prep Alumni Social Media

Alumni support and involvement makes Panther Alumni Weekend a success! You can support Panther Alumni Weekend goals by encouraging high attendance from your classmates, collecting updated contact information, helping locate "lost alumni," or participating as class reunion committee member and help plan your class reunion.
