

Carrollton-Farmers Branch Independent School District

Blanton Elementary

2023-2024 Campus Improvement Plan

Mission Statement

The Mission of CFBISD, a diverse community of global learners, is to empower scholars to acquire life-long knowledge, skills, and values that prepare them to compete in the world marketplace while contributing to their community.

Vision

CFBISD will be an exceptional learning community where all graduates impact and excel in a complex, interconnected, and ever-changing world.

Value Statement

CFBISD BELIEVES IN...

- Excellence in ALL learning opportunities
- Respecting differences by embracing diversity
- A growth mindset for students, faculty, and staff
- Ongoing partnerships with the community
- Support and love of the whole student

Motto

High Expectations for ALL

Demographics

Demographics Summary

Blanton Elementary is a Leader in Me, STEM school in Carrollton Farmers Branch ISD. Blanton is a Title 1 campus and serves a plurality Hispanic student population in grades PK-5 and offers bilingual education for all grades. The staff at Blanton Elementary includes 41 teachers, 7 paraprofessionals, 2.5 office support, 1 nurse, 1 counselor, 1 librarian, .5 Behavior Resource Specialist, and 2 administrators.

The student population is 9.3% White, 65.7% African American, 79.1% Hispanic, 3.6% Asian, 2.1% Two or More, and 0 % Native American.

Additionally, the campus serves 79.5% economically disadvantaged students, 17.1% special education students, 7% dyslexia, 4% Section 504, % Gifted and Talented, .85% Homeless, and 55% Limited English proficient students.

Attendance rates include:

- PK: 94.3%
- K: 94.5%
- 1st: 95.5%
- 2nd: 94.1%
- 3rd: 95.3%
- 4th: 96.6%
- 5th: 96.4%

Demographics Strengths

Blanton is a STEM Academy providing students with the opportunity to engage in STEM-based instruction each day. As a PK-5 bilingual campus, Blanton Elementary is also a diverse community full of learners who are eager to come to school. The staff is dedicated to ensuring all learners are growing, and the families want their children to be successful.

The ethnic make-up of our identified GT learners has shown growth for our Hispanic population:

Blanton consistently attracts educators who are dedicated to continuous growth and working together as a team so we can achieve our vision to be the BEST School in Texas.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Parents struggle with understanding how to best support their child with their academics and school skills. **Root Cause:** Parents are not aware how to support the 7 Habits associated with the Leader in Me at home.

Problem Statement 2: There is a need for additional professional learning to support learners from diverse cultural, socioeconomic, and academic backgrounds. **Root Cause:** Over the past several years, our learners' academic and social-emotional needs have increased resulting in additional services and supports.

Student Learning

Student Learning Summary

2023 Data coming August 2023

3rd grade Math STAAR:

Year	Approaches	Meets	Master
2021	46%	13%	5%
2022	62%	31%	15%
2023			

3rd grade Reading STAAR (Eng/Span):

Year	Approaches	Meets	Master
2021	71%/67%	32%/31%	8%/12%
2022	67%/58%	56%/8%	44%/4%
2023			

4th grade Math STAAR:

Year	Approaches	Meets	Master
2021	43%	16%	6%
2022	71%	36%	20%
2023			

4th grade Reading STAAR (Eng/Span):

Year	Approaches	Meets	Master
2021	45%/45%	17%/21%	7%/3%
2022	77%/67%	40%/43%	17%/14%
2023			

5th grade Math STAAR:

Year	Approaches	Meets	Master
2021	78%	35%	17%
2022	73%	22%	4%
2023			

5th-grade Reading STAAR:

Year	Approaches	Meets	Master
2021	76%	49%	27%
2022	81%	51%	26%

- 2023

As we go into the 2023-24 school year, we will collect and track data on learner growth using data measures such as:

- MAP
- iStation
- Dreambox
- Panorama
- TELPAS
- Classroom formative data and summative grades
- 2022-23 STAAR
- Reading Levels
- Responses to Intervention progress monitoring tools

Student Learning Strengths

- Explicit, systemic phonics instruction is provided daily for PK-3rd.
- Educator/Team T-TESS goals target specific deficit skills and provide consistent data on learner and student group growth.
- Use of Heggerty Curriculum in PK-2 is showing as a strength during RTI monitoring and Dyslexia Testing
- Educators meet as collaborative teams and with campus instructional leaders to review learner progress and inform instructional decision-making
- Available data from TELPAS is utilized to drive Emergent Bilingual support and interventions.
- Students are engaged in learning. Small group instruction is occurring in all classrooms in Reading and/or Math. 3 full-time and 2 part-time bilingual ESSER teachers contribute to intervention groups and teacher training.
- Over 90% of K-5 students consistently completed their required DreamBox and iStation lessons weekly contributing to math and reading growth.
- Students needing Tier 2/3 interventions received small group targeted teaching 4-5 days a week with huge growth evident as measured by their F&P reading levels.
- Student goal setting is directly tied to students' assessments: iStation, Dreambox, and MAP

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): There is a need to provide a stronger focus on high-quality Tier 1 instruction and research-based classroom interventions. **Root Cause:** Lack of knowledge, understanding, and /or access to evidence-based learning strategies and targeted interventions. Lack of early identification and intervention.

Problem Statement 2 (Prioritized): There is a need to focus on social-emotional skills including empathy, leadership, perseverance, and self-advocacy. **Root Cause:** Teachers, parents, and learners report a growing need for social/emotional support.

Problem Statement 3 (Prioritized): There is a need to utilize both qualitative and quantitative data to track essential skills per unit/9 weeks that align with essential standards. **Root Cause:** Collected data is not always consistent, timely, or tied to current standards.

Problem Statement 4 (Prioritized): There is a need to systematically track specific skills aligned with essential standards. **Root Cause:** A school-wide skills tracking system is needed.

School Processes & Programs

School Processes & Programs Summary

Blanton Elementary is a STEM academy and offers bilingual education using the late-exit programs meaning students use their first language heavily for language through their first few years, and by 5th grade, students are receiving the majority of their education in English with Spanish support. During their day, students served in the bilingual program also receive math and science content in English and grow their vocabulary with targeted strategies through language development time.

The educators at Blanton are in their fourth year operating as a Professional Learning Community. There is time built into the master schedule for weekly collaboration so teachers can focus on the 3 Big Ideas of a PLC and the 4 Guiding Questions.

Each grade level had a minimum of 30 minutes in their daily schedule focused on providing extensions or interventions for students. ESSER teachers have established a systematic approach to supporting students in grades K-5 who are demonstrating academic deficits in reading and/or math. ESSER teachers collaborate with grade-level educators during RTI meetings and Collaborative Team Time (CTT) on Tuesdays, and student progress is routinely monitored, and instruction is subsequently adjusted. It is a priority that all staff know each student by name and by need.

Blanton is also a "Leader in Me" school. *Leader in Me* is an evidence-based, social-emotional learning process—developed in partnership with educators—that empowers students with the leadership and life skills they need to thrive in the 21st century. This whole-school improvement model integrates leadership development into existing programs, curricula, and traditions and serves as a foundational operating system for the school, improving relationships, transforming culture, and motivating staff and students.

School Processes & Programs Strengths

- As a Leader in Me school, we have a variety of programs and processes that support the growth of all students as learners and leaders.
- Morning meetings occur daily to support the implementation of the 7 Habits, goal-setting, conflict resolution, community building, and social-emotional learning.
- The Bilingual program provides learners with the opportunity to be bilingual, bi-literate, and bi-cultural.
- Systems are in place to support Blanton's implementation of weekly collaborative time as a Professional Learning Community.
- Strong relationships building between learners, educators, and parents enhances our school community and instructional integrity.
- Our school represents multiple cultural backgrounds in students and staff.
- STEM programming is a strength as a program of choice.
- During PLC time, our educators work together to review data, and determine next steps for learners. Weekly time to work as a PLC is embedded in the educator's protected time weekly. Special education, ESSER teachers, support staff, and special teachers work to be involved in increasing the academic, social, and emotional success of each learner.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): There is a need for team collaboration in order to successfully implement core content curriculum. **Root Cause:** Existing achievement gaps indicate that curriculum adjustments must be made to ensure there are differentiated instructional strategies in use.

Problem Statement 2: There is a need to ensure the master schedule allows for maximum instructional time. **Root Cause:** An increase of learners with more challenging academic and social-emotional needs requires instruction to be laser-focused during Tier 1 instruction.

Problem Statement 3 (Prioritized): There is a need for systematic support through RTI to ensure learner growth. **Root Cause:** Some learners demonstrate additional needs beyond

effective Tier 1 instruction.

Perceptions

Perceptions Summary

Mission Statement:

"At Blanton Elementary, we work as a collaborative team to create leaders by building relationships and valuing academic and social-emotional growth. We collectively do whatever it takes to ensure all students learn at high levels."

Vision:

"To be the BEST school in Texas!"

As we live out our mission and soar towards our vision to be "The Best School in Texas", we embrace and address the needs of the whole child by encouraging academic, social, and emotional growth while developing independent leaders by living out the "7 Habits" associated with *The Leader in Me*.

As a STEM Academy, students are consistently required to push their thinking further through peer collaboration, individual learning goal-setting, and personal reflection. Our campus is committed to the belief that all children can learn at high levels, and we believe all students deserve an opportunity to develop their own unique skills.

In an effort to recognize the efforts of our Bulldogs, Blanton recognizes "Leaders of the Week" as we highlight students based on the highlighted habit of the week as well as "Bulldog Pride" and "Leader of the Year" recognition at the 9-weeks and end of the year. Blanton maintains an active presence on social media in order to provide our community the opportunity to see some of the great things happening at Blanton on a regular basis. To align our work with the 7 Habits and the Leader in Me, a group of educators works together with our counselor as our "Lighthouse Team".

Parents and community members are often heard commenting about the warm and welcoming feeling that they get when they walk into Blanton Elementary. They know immediately that student emotional well-being is high on our priority list, as well as ensuring that all students grow in their learning.

Perceptions Strengths

- Students, staff, and families are proud to be a part of the *Best School in Texas*.
- The STEM program is a choice program and a perceived strength for families within and outside of CFBISD.
- Blanton Elementary has been a *Leader in Me* school for the past three years.
- There is a strong focus on educating the whole child by all Blanton stakeholders.
- Recognized Common Sense School provides digital literacy for all students.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): There is a need to increase support for the social/emotional wellness of learners. **Root Cause:** Students have higher levels of anxiety and more frequent dysregulation issues.

Problem Statement 2 (Prioritized): There is a need to increase support for staff and provide more opportunities for relationships and community building. **Root Cause:** Teachers have increasingly greater pressures and need to be provided ample social/emotional supports.

Priority Problem Statements

Problem Statement 1: There is a need to provide a stronger focus on high-quality Tier 1 instruction and research-based classroom interventions.

Root Cause 1: Lack of knowledge, understanding, and /or access to evidence-based learning strategies and targeted interventions. Lack of early identification and intervention.

Problem Statement 1 Areas: Student Learning

Problem Statement 2: There is a need to focus on social-emotional skills including empathy, leadership, perseverance, and self-advocacy.

Root Cause 2: Teachers, parents, and learners report a growing need for social/emotional support.

Problem Statement 2 Areas: Student Learning

Problem Statement 3: There is a need to utilize both qualitative and quantitative data to track essential skills per unit/9 weeks that align with essential standards.

Root Cause 3: Collected data is not always consistent, timely, or tied to current standards.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: There is a need to systematically track specific skills aligned with essential standards.

Root Cause 4: A school-wide skills tracking system is needed.

Problem Statement 4 Areas: Student Learning

Problem Statement 5: There is a need for team collaboration in order to successfully implement core content curriculum.

Root Cause 5: Existing achievement gaps indicate that curriculum adjustments must be made to ensure there are differentiated instructional strategies in use.

Problem Statement 5 Areas: School Processes & Programs

Problem Statement 6: There is a need for systematic support through RtI to ensure learner growth.

Root Cause 6: Some learners demonstrate additional needs beyond effective Tier 1 instruction.

Problem Statement 6 Areas: School Processes & Programs

Problem Statement 7: There is a need to increase support for staff and provide more opportunities for relationships and community building.

Root Cause 7: Teachers have increasingly greater pressures and need to be provided ample social/emotional supports.

Problem Statement 7 Areas: Perceptions

Problem Statement 8: There is a need to increase support for the social/emotional wellness of learners.

Root Cause 8: Students have higher levels of anxiety and more frequent dysregulation issues.

Problem Statement 8 Areas: Perceptions

Problem Statement 9: Parents struggle with understanding how to best support their child with their academics and school skills.

Root Cause 9: Parents are not aware how to support the 7 Habits associated with the Leader in Me at home.

Problem Statement 9 Areas: Demographics

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Federal Report Card and accountability data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
- Other PreK - 2nd grade assessment data

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data

- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Study of best practices

Guiding Objectives

Revised/Approved: July 18, 2023

Guiding Objective 1: Optimize Engaging and Diverse Learning

Goal 1: By May 2024, the percentage of K-5 who meet or exceed their expected growth on MAP will increase from 57% to 62% on Math MAP and 51% to 56% on Reading MAP.

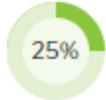

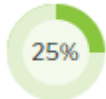

High Priority

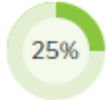

HB3 Guiding Objective

Evaluation Data Sources: TTESS observations and evaluations, MTSS data, MAP Data, Classroom Assessment Data, DCFA, PLC agendas, monthly ISIP student summary reports

Strategy 1 Details	Reviews			
<p>Strategy 1: Administer progress monitoring using iStation 3x a year.</p> <p>Strategy's Expected Result/Impact: Students meet expected monthly goals and classroom/assessment learning aligns with consistent usage.</p> <p>Staff Responsible for Monitoring: Classroom teachers, administrators</p> <p>Title I: 2.4</p> <p>- TEA Priorities: Build a foundation of reading and math</p> <p>- ESF Levers: Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction</p> <p>Problem Statements: Student Learning 1, 4 - School Processes & Programs 3</p>	Formative			Summative

Goal 3 Problem Statements:

Student Learning
<p>Problem Statement 1: There is a need to provide a stronger focus on high-quality Tier 1 instruction and research-based classroom interventions. Root Cause: Lack of knowledge, understanding, and /or access to evidence-based learning strategies and targeted interventions. Lack of early identification and intervention.</p> <p>Problem Statement 3: There is a need to utilize both qualitative and quantitative data to track essential skills per unit/9 weeks that align with essential standards. Root Cause: Collected data is not always consistent, timely, or tied to current standards.</p> <p>Problem Statement 4: There is a need to systematically track specific skills aligned with essential standards. Root Cause: A school-wide skills tracking system is needed.</p>
School Processes & Programs
<p>Problem Statement 3: There is a need for systematic support through RtI to ensure learner growth. Root Cause: Some learners demonstrate additional needs beyond effective Tier 1 instruction.</p>

Guiding Objective 1: Optimize Engaging and Diverse Learning

Goal 4: By June 2024, administrators will increase their knowledge and expertise of how to be more effective instructional leaders in the areas of curriculum, bilingual education, leadership, leading professional learning communities, MTSS systems, and teacher-created CFAs by attending professional development and sharing and implementing strategies learned.

High Priority

Evaluation Data Sources: TPESS, MTSS schedule/data, NWEA MAP and STAAR data, Upbeat and Campus Survey Data, PLC Agendas

Strategy 1 Details	Reviews			
<p>Strategy 1: Increase principal and assistant principal leadership knowledge and build collective efficacy through in-person professional development, book studies, targeted leadership/learning applications, and related online learning associated with professional association memberships.</p> <p>Strategy's Expected Result/Impact: Increased student achievement and collective teacher efficacy</p> <p>Staff Responsible for Monitoring: Principal, Assistant Principal</p> <p>Title I: 2.5</p> <p>- TEA Priorities: Recruit, support, retain teachers and principals</p> <p>- ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction</p> <p>Problem Statements: Student Learning 1, 2, 4</p> <p>Funding Sources: Conference and associated travel and professional association fees - 211 Title I - 211-23-6411-00-110-99-000 - \$6,000, Professional Learning Books - 211 Title I - 211-13-6329-00-110-99-000 - \$2,500, iPad - 211 Title I - \$1,200</p>	Formative			Summative

State Compensatory

Budget for Blanton Elementary

Total SCE Funds: \$375,000.00

Total FTEs Funded by SCE: 0

Brief Description of SCE Services and/or Programs

The supplemental programs and services provided with SCE funds include activities such as: state assessment remediation, PreK-3rd Readiness Skill Tutoring, Core-Subject Small Group Instruction, Emergent Bilingual Support, and Summer School.

Title I

1.1: Comprehensive Needs Assessment

A comprehensive needs assessment is conducted on an annual basis. Multiple data sources are used from various stakeholders (parents, administrators, teachers, and community members) via surveys, meeting participation, etc. The areas of assessment include demographics, student achievement, school processes and programs, and perceptions. The school-wide focus is on academic student achievement as measured by growth throughout the school year.

2.1: Campus Improvement Plan developed with appropriate stakeholders

A campus improvement plan is developed based on the comprehensive needs assessment findings. The plan is monitored throughout the year and adjustments are made to support the goals outlined in the CIP. Copies of the CIP are posted on the district's website and are shared with various stakeholders during meetings where adequate notice of meeting dates and participation is welcomed and encouraged.

2.2: Regular monitoring and revision

Throughout the year the campus improvement plan is monitored and adjusted to best support student achievement and related initiatives. The campus Leadership Team and Blanton's Campus Improvement Committee are involved in monitoring and adjusting the campus improvement plan.

2.3: Available to parents and community in an understandable format and language

Information is available to parents and community members in an understandable format and language. The district and campus websites include a feature which translates all content. Fliers that are sent home include both English and Spanish. Community meetings are held in English and Spanish.

2.4: Opportunities for all children to meet State standards

Progress monitoring of Math and Reading data is used to determine students in need of academic support. SNAP meetings are held regularly to determine which students are in need of Tier 2 & Tier 3 interventions. Parents are provided resources to help support student progress.

2.5: Increased learning time and well-rounded education

Based on need as identified via the SNAP process, additional learning time is provided during the school day and/or outside of the school day. Designated intervention times limit students missing core instruction.

2.6: Address needs of all students, particularly at-risk

Blanton's CIP includes strategies to support all students, with an area of focus for students struggling with social emotional balance, bilingual emergent students and students receiving special education services.

3.1: Annually evaluate the schoolwide plan

A campus improvement plan is developed based on the comprehensive needs assessment finding. The plan is monitored throughout the year and adjustments are made to support the goals outlined in the CIP. Copies of the CIP are posted on the district's website and are shared with various stakeholders during meetings where adequate notice of meeting dates and participation is welcomed and encouraged.

4.1: Develop and distribute Parent and Family Engagement Policy

Annually stakeholders, including parents, staff, and administrators, jointly develop a parent and family engagement policy to encourage partnership and participation in activities that foster relationships which support student achievement. Input is gathered via Campus Improvement Committee meetings and online survey, during the spring of the previous school year. Updated policies are reviewed and disseminated at the beginning of the school year via ParentSquare and orientation meetings.

4.2: Offer flexible number of parent involvement meetings

There are multiple opportunities offered to parents in order to encourage participation in campus community meetings. These opportunities span different hours of the day in order to accommodate different schedules and they also span different formats including virtual meetings, face to face meetings, and recorded presentations.

Campus Improvement Committee

Committee Role	Name	Position
Classroom Teacher	Erin Brown	4th Grade
Counselor	Kasondra Baudo	Counselor
