RE: Q&A

Below are sets of questions submitted by vendors and answers provided to those questions.

Q: Are devices etched or engraved?

A: We do not have any etching on any devices.

Q: Do the devices come with chargers?

A: We do collect chargers and that is why we asked about chargers in the RFP. However, we don't always get all of them back. Each vendor would need to identify any costs or charges for missing chargers/cables, if any.

Q: Who handled the glass replacements and device repairs on these iPads?  
A: Recently TechCycle Solutions and Interstate All Battery.

Q: Which protective case was used on the iPads?  
A: Logitech Rugged Combo and Brenthaven Edge 360.

Q: Was any glass protector used on the iPads?  
A: For the K-2 iPads yes, the Brenthaven Edge 360.

Q: Are known broken iPads (broken screens, no power) included in these counts?  
A: We will most likely have a small number of broken units available for parts or recycling.

Q: How many pick-up sites will the devices be located at?  
A: One.

Q: Are you requiring bidders to be R2v3 certified in the facility that is auditing the devices?  
A: No.

Q: Will these devices have any asset tags, metallic tags, tamperproof tags, or stickers of any kind on them?  
A: They will have an asset tag and mailing label.

Q: Will these devices have any iCloud or any locks on them (DEP)?  
A: We listed in the RFP that the devices may need to be placed in recovery mode to be wiped. They will be released from DEP and they should not have any iCloud locks.

Q: Were these devices in cases during their time at the school?  
A: Yes, iPad cases were the Brenthaven 360 and Logitech Rugged Combo. MacBooks had the STM Dux cases.

Q: Will these devices come with chargers/accessories?  
A: We do collect chargers and that is why we asked about chargers in the RFP. We don't always get all of them back. Each vendor would just need to identify any costs or charges for missing chargers/cables, if any.

Q: Will a deposit need to be submitted with the bid?  
A: No deposit is required with the bid proposal.

Q: Will there be an in-person inspection or virtual viewing of the devices?  
A: No. We will not be collecting devices until school releases on May 22<sup>nd</sup>.

Q: Will a Certificate of Insurance and/or R2 Certificate need to be submitted with the bid?  
A: No.

Q: Will devices be activation lock free?  
A: (DEP, iCloud) Should not be but if any issues come up you will just have to let us know. We listed in the RFP that the devices may need to be placed in recovery mode to be wiped.

Q: Do most come with their chargers?  
A: We do collect chargers. However, we don't always get all of them back so the vendor would need to identify any costs or charges for missing chargers/cables, if any, within their proposal.

Q: Is there any etching on the devices like an engraved school name?  
A: We do not have any etching on any devices.

Q: Were the iPads kept in cases? If so, what kind?  
A: iPad cases were the Brenthaven 360 and Logitech Rugged Combo. MacBooks had the STM Dux cases.

Q: Are any iPads cracked? If so, how many of each model?  
A: There will be some most likely. We do not know how many.

Q: Can the RFP be self-delivered to the district, or must it be mailed?

- A: Yes, anytime between 7 AM and 3 PM Monday through Friday. Bid proposals are due by 2 PM Thursday, April 25th. Proposals received after the deadline will be returned unopened. Delivery address is 801 Kent St, Liberty, MO 64068. Purchasing Office, option 7 on the keypad in the vestibule inside the main front doors.
- Q: Does the equipment come with chargers?
- A: We do collect chargers and that is why we asked about chargers in the RFP. We don't always get all of them back. Each vendor would just need to identify any costs or charges for missing chargers/cables, if any.
- Q: Under the quantities & technical specifications, what is the general amount of memory in the I-pads.
- A: This information is included in the RFP document.
- Q: Do you have a general grade on the available equipment?
- A: We do not. The devices will not be gathered until late May from end-users so we will not know the conditions until then.
