## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### SCHOOL PROFILE:

Lake View Elementary School, located in Huntington Beach, California, is one of ten elementary schools in the Ocean View School District. The school serves a population of approximately 400 students in Transitional Kindergarten through fifth grade. Lake View underwent a complete modernization and remodel in the 2015-2016 school year. Lake View is a diverse population, 35% English learners and 63% socioeconomically disadvantaged. In addition to 13 general education classrooms, Lake View houses two special education classes.

In September 2016, the school implemented a comprehensive student-centered STEAM (Science, Technology, Engineering, Arts, and Math) curricular model. Students are immersed in an innovative STEAM curriculum during the entire school day and engage in Project-Based Learning experiences. The curricular model is differentiated to meet the diverse learning needs of the students within the classroom setting.

All students in the school have daily access to technology. Each classroom is equipped with a View Sonic Multi-Touch Interactive Board. Students in grades K-2 have one-to-one access to personal technology devices (Chromebooks) in school on a daily basis. Students in grades 3-5 have one-to-one access to personal technology devices (Chromebooks) that they check out to take home and bring back to school daily. The classrooms are furnished with mobile and collaborative tables that allow for groupings to easily work together and flexible seating to optimize learning. Furthermore, the school is equipped with mobile 3-D printers, a video production studio, and robotics for every level of learning.

### VISION:

Lake View School will provide student-centered instruction that deepens learning through an emphasis on our core subject areas of Science, Technology, Engineering, Arts, and Math. All students will be immersed in project-based learning, providing them opportunities to think critically, be creative, problem solve, persevere, innovate, and be future ready. Students and teachers will work collaboratively in meaningful experiences to cultivate strong relationships within the classroom, the school, and throughout the community. Our vision is to foster independent, motivated, and productive leaders who are thoughtful, ethical, and informed citizens in a global community.

### MISSION:

Our mission is for all Lake View students to become Leaders who Acquire Knowledge through Exploration.

## 2023-24 School Description and Mission Statement

### CORE VALUES:

We will provide a transdisciplinary approach, including Project Based Learning (PBL) and 5E model (engaging, exploring, explaining, elaborating and evaluating), in order to develop 21st Century skills (communication, collaboration, creativity, critical thinking).

We will differentiate instruction to engage students and meet their educational needs.

We will foster innovation by allowing students to explore, think critically, problem solve, and collaborate together.

We will demonstrate our commitment to shifting the paradigm of traditional settings and relationships by inspiring students to be self-disciplined and intrinsically motivated.

We will model qualities and characteristics to uphold an environment of respect, responsibility, and safety, and set high expectations for student behaviors.

We will commit to Professional Development and continuous improvement toward STEAM and innovative instructional practices.

We will be persistent in reviewing student data and guiding our instruction to meet student goals.

### DISTRICT PROFILE:

Lake View Elementary School is located in the western region of Huntington Beach and serves students in transitional kindergarten through fifth grade, following a traditional calendar. The Ocean View School District is located in western Orange County and serves over 7,000 students from prekindergarten through eighth grade. Ocean View School District is dedicated to educational excellence and the continuous academic growth of all students, which supports its motto: "Connections Before Content."

<b>Total Teaching Positions</b>	18	0	347.10	100	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	17	100	307.6	96.06	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0	0
Misassignments	0	0
Vacant Positions	0	0
<b>Total Teachers Without Credentials and Misassignments</b>	<b>0</b>	<b>0</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0	0
Local Assignment Options	0	0
<b>Total Out-of-Field Teachers</b>	<b>0</b>	<b>0</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum are aligned with the California Content Standards and Frameworks per the adoption process outlined by the state. Once the State Board of Education adopts standards-based instructional materials, the District field tests materials and then adopts according to Board Policy. There are sufficient materials at each school that are used to support core instruction. The adoption cycle has been adhered to and newly adopted materials are readily accessible to all students. All schools use adopted materials and site-specific supplemental resources.

## School Facility Conditions and Planned Improvements

In November of 2016, the Ocean View School District (OVSD) passed Measure R, a general obligation bond, in the amount of 169 million dollars. This is the first bond ever passed in the 143 year history of OVSD. The bond program is designed to transform the aging fleet of 1960/1970 era schools into modern, contemporary learning environments. Construction started in June 2018 and anticipate completion in the 2024 school year.

The District uses a systematic approach to maintain facilities to ensure all schools are clean, safe, and provide an inspirational educational environment for our students to learn, grow, and be challenged. District maintenance and site custodial staff work in a coordinated manner to ensure that the repairs and operational items necessary to keep the schools in good condition are completed in a timely manner. A comprehensive work order system is used by school and District staff to communicate both routine and non-routine maintenance requests. Emergency repairs are given the highest priority.

From an operational perspective, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One full-time day custodian and one or two part-time evening custodian(s) are assigned to each school site. The day custodian is responsible for:

- Lunch area
- General grounds maintenance
- Grounds keeping
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principals are in continual communication with the Maintenance and Operations Supervisors and custodial staff concerning maintenance and school safety issues.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	53	49	58	58	47	46
<b>Mathematics</b> (grades 3-8 and 11)	50	50	49	51	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parents are encouraged to be involved in their child's learning experience by volunteering in the classroom, participating in decision-making processes, and attending school events.

Parents stay informed of upcoming events and school activities through flyers, weekly Friday Folders, ClassDOJO messaging system, class newsletters, parent conferences, progress reports, the school marquee, the school website, and parent square. Contact any school office staff member at (714) 842-2589 for more information on how to become involved.

##### Opportunities to Volunteer

## 2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Lake View Elementary School in collaboration with School Site Council, local agencies, and the District Office, to fulfill the requirements of Senate Bill 187. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response, procedures for safe arrival and departure from school, sexual harassment, bullying, and dress code policies. The school's plan is updated yearly. It was last reviewed and approved by the Lake View School Site Council on September 20, 2023.

## Professional Development

All teachers participate in Professional Development to stay up to date with current STEAM practices and strategies. Early out Wednesdays are utilized to build teacher capacity including two sessions for i-Ready. Additionally, non-student days are also built into the calendar.

Lake View staff participated in the following professional staff development activities for the last couple of years:

- Project-based Learning planning units of study
- Targeted Data-driven Instruction
- Social-Emotional Learning and Multi-tiered Supports and Systems
- Restorative Practices
- NGSS Science Curriculum
- i-Ready training

Early out Wednesdays are utilized to build teacher capacity. Additionally, two non-student days are built into the calendar. The 2022/23 school year will build upon the OVSD Multi-tiered System of Supports (MTSS) and include Universal Design for Learning (UDL), writing across the curriculum, English Language Development (ELD), phonics/decoding/morphology, and more.

This table displays the number of school days dedicated to staff development and continuous improvement.
