Telephone: 714-842-0626
Emergency: **911**

NOTE TO PARENTS:

Will you please take a colored pencil or crayon and help your child mark his or her home and the route he or she should take to school following the general patterns of the arrows...

It is suggested that you actually walk the route with your child answering any questions he or she may have concerning the map and pointing out traffic control features such as crossing guards, signals, etc., on his or her route to school.

Please keep this map in your home and go over it with your child from time to time to make sure that he or she knows and uses the safest route to school.
