Summer Learning Acceleration Program Statistics

- Served over 1,300 OVSD students in grades K-7
- Supported by over 150 OVSD employees (certificated, classified, & administrators)
- 87% -- District average student weekly attendance (during summer break!)

OVSD Summer Learning Acceleration Program Overview

Instruction focused on literacy, math, & enrichment opportunities:

- **Daily whole group mini-lessons on grade-level priority standards**
 - Supported keeping students on track with grade level expectations
 - Based on best instructional practices & high leverage learning strategies
 - Preplanned by Teaching & Learning Team to provide consistency
- **Daily small group instruction differentiated by students' needs**
 - Supported filling in individual instructional gaps
 - Teacher planned & supported by i-Ready Personalized Learning Platform
- **Time built into the day for additional enrichment**
 - Science, Art, Social Emotional Learning, Physical Education, etc.
 - Teacher planned
