# *Educational Technology Plan 2020*

Future Ready OVSD

Innovative  
Ideas

Future  
Focused

Fiscally  
Sustainable

Communicated  
with Clarity

# BEST PRACTICE

To provide all students with safe, innovative learning environments, rigorous standards-based curriculum, and digital skills to help them succeed in college, career, and life.

# PURPOSE

To develop a technology plan that addresses innovative learning environments, aligns with District educational programs, informs the Local Control Accountability Plan, and prepares students for college and career.

# OUTCOME

## OVSD Three-year Technology Plan

- ❑ Clear goals and realistic strategies for using technology in the classroom to enhance learning and improve achievement;
- ❑ Professional learning plan based on the needs of the staff on current technology proficiency and integration skills;
- ❑ Identified hardware, software, and other resources needed to improve teaching and learning (standardized classroom resources);
- ❑ A developed procurement and replacement timeline for identified resources.

# PROPOSED PARTICIPANTS

- ❑ Teachers
  - ❑ OVTA Representatives
  - ❑ Technology Support Providers
- ❑ Site Administrator Representatives
- ❑ Information Technology Staff
- ❑ Teaching & Learning Staff
- ❑ Parent/Roundtable Representatives

# Tentative Meeting Dates

- ❑ February 4, 2020: 1st Meeting
- ❑ March 19, 2020: 2nd Meeting
- ❑ May 19, 2020: 3rd Meeting

# Educational Technology Plan

## Learning & Teaching

Create equitable & accessible learning

## Leadership

Set a vision for the use of technology to enable learning

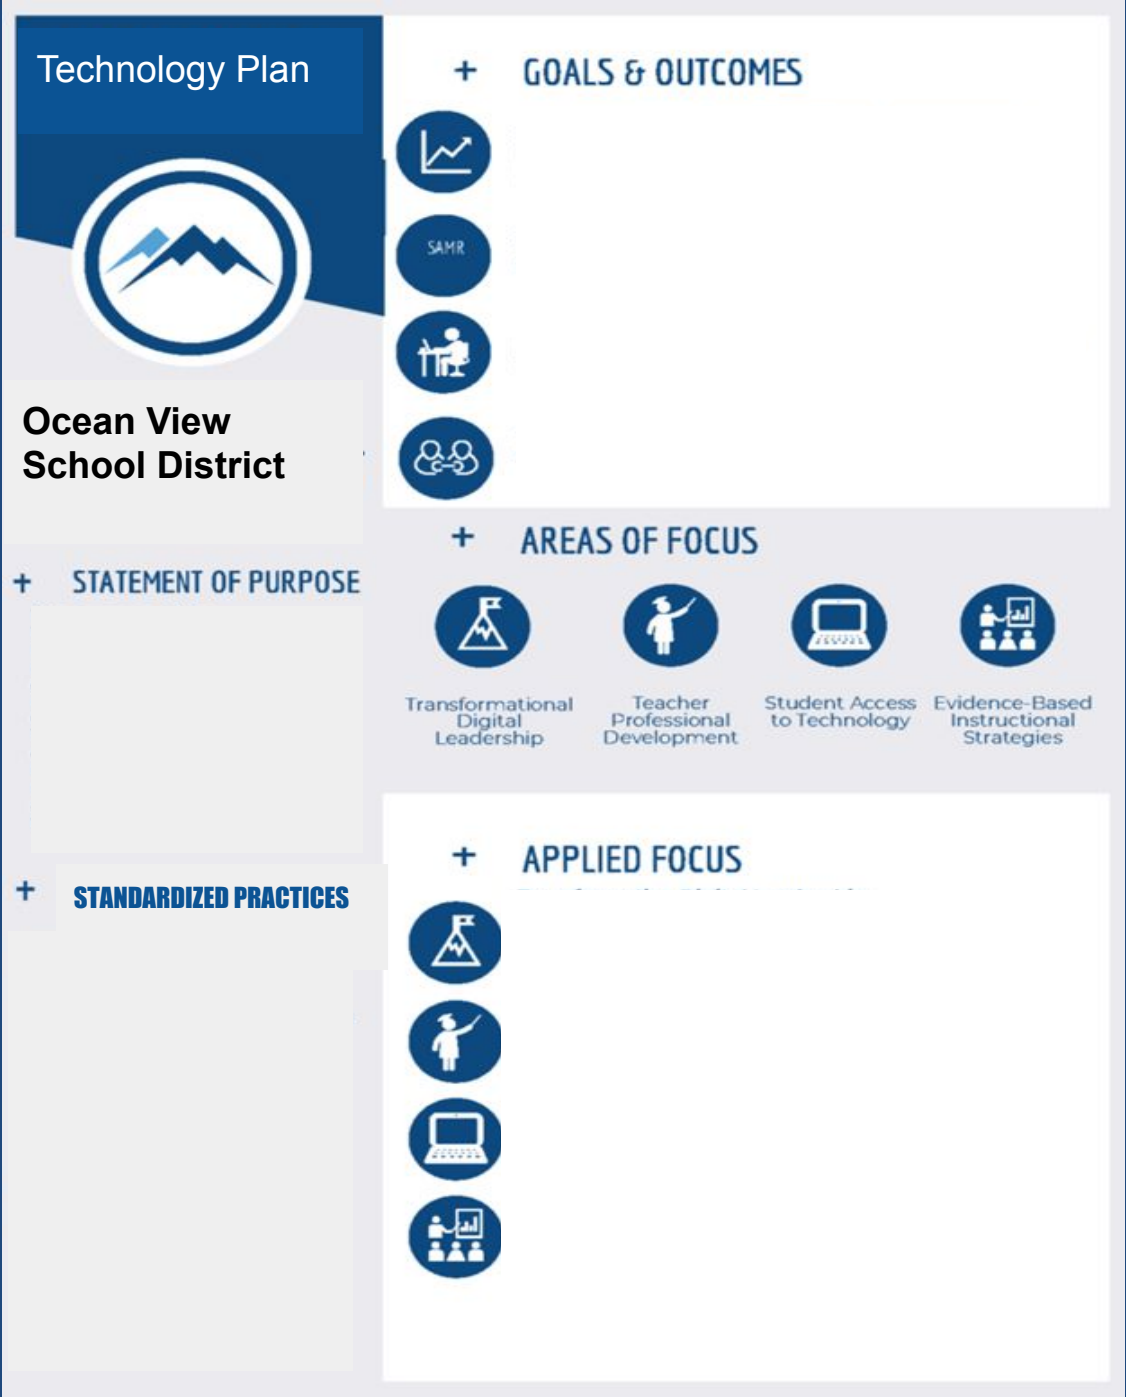

## Assessment

Ongoing gathering & sharing of data for continuous improvement

## Infrastructure

Provide access to the internet & wireless connectivity
