## Construction Update

Keith Farrow, Assistant Superintendent of Administrative Services, provided the Trustees with a bond financial review, school modernization schedule review, and an enrollment data update. [See the presentation here.](#)

### Park View

The Board of Trustees approved razing and abating the vacant Park View Elementary School. The Park View project has been made possible by a lease agreement with ActivCare. As a part of the lease agreement for the Westmont Triangle property, ActivCare is providing funding for the demolition. The tentative plan is to improve the parking lots that serve the baseball fields and to provide more green space for the community.

### Mesa View

The Board of Trustees provided direction to modernize Mesa View Middle School in the 2023-24 school year. Mesa View currently enrolls the largest number of students in Ocean View and is home to a middle school GATE magnet program. Vista View is currently being modernized, and Star View will be modernized in the 2022-23 school year.

## Special Board Meeting January 18

The Board of Trustees will hold a Special Board Meeting on Tuesday, January 18th at 6:00 pm to discuss long-term planning in OVSD, including Board priorities and potential future projects.
