## Premier Youth Sports

Superintendent Dr. Hansen and the Board of Trustees expressed their gratitude to Coach Tony Le and Premier Youth Sports for the generous donation of school supplies made to our elementary schools! Premier Youth Sports does a wonderful job serving children in our community and we appreciate their partnership!

## Summer Learning Acceleration Program (SLAP)

Dr. Julianne Hoefer, Assistant Superintendent of Educational Services, and Kristi Hickman, Director of Teaching & Learning, spoke about the success of the Summer Learning Acceleration Program that served 1,300 students. The program increased student achievement through additional instruction, provided intensive, strategic support through smaller class sizes, and supported social-emotional well-being through interactions & relationship building. [See the presentation here.](#)

## HB Beach Rangers Program

The City of HB and OVSD partnered to provide a Beach Rangers program over the summer for students. The program is a modified Jr. Lifeguard program that teaches water safety and ocean ecology, while providing students time to enjoy our local beaches and harbor. Several Oak View students and their parents enthusiastically endorsed the program and recounted their favorite highlights of the summer. The Board recognized and thanked members of the HB Fire Department/Marine Safety Division, who were in attendance, for their participation in the program as well.

## Marine View & Vista View Construction Update

Keith Farrow, Assistant Superintendent of Administrative Services, informed the Board that the Marine View modernization is just about complete, except for some finishing touches. Teachers and students are reportedly enjoying their new classrooms and technology. The Vista View modernization is underway. The interior color palette is very rich and vibrant throughout the common areas, while classrooms are more muted for an optimum learning environment. [See presentation here.](#)

## 2020-2021 Unaudited Actuals Report

Keith Farrow, Assistant Superintendent of Administrative Services, provided the Board with the Unaudited Actuals Budget Update. He discussed changes from estimated actuals to unaudited actuals, the 2020-21 adopted budget, changes in enrollment and encroachment, budget challenges, and important upcoming financial dates.
