## OVSD Inaugural Science Expo!

The OVSD Science Expo was a huge success in its inaugural year! Assistant Superintendent of Educational Services, Dr. Julianne Hoefer, explained the process followed by students from all four middle schools as they designed their projects. Students participated in schoolwide competitions, where two teams per grade level at each middle school were selected to advance to the District Science Expo held in the Spring View Middle School Gym. All projects were carefully critiqued by a panel of judges, including Board President Singer, Vice President Clayton-Tarvin, and Trustee Westmoreland. After careful consideration, the 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade teams from Vista View were selected as this year's Expo winners and received recognition certificates. Congratulations!

Parent volunteer Kimberly Fatum was recognized for her dedicated service as the President of the PTA/PTO/PTSA/PTSO Roundtable for the past three years.
