Overview:

- Current Priorities
- 2023-24 Board Approved Transportation Plan
- Area Map
- Transportation for Spring View
- Board Direction

Current Priorities:

The Transportation Departments exists to provide safe and timely transportation of all eligible students to their respective schools. We service the following student populations:

- Special Education
- General Education students impacted by the Measure “R” Construction Program
- Oak View Community to Vista View Middle School
- Field Trips as determined by sites

2023-24 Board Approved Transportation Plan (General Ed. Students):

- Prioritization List- TK-3, 4-6, then 7-8 students residing in households with an income level at or below the “low income” threshold
- Then prioritize by TK-8 that are above the threshold
- Centralized Stops
- Maximize Ridership
- Resident only, based on District boundaries and school of residence
- Inter & Intra-District Transfers not provided (Parents to provide)
- Safe Walking Zones
- Flexible Non-Service Zone Criteria

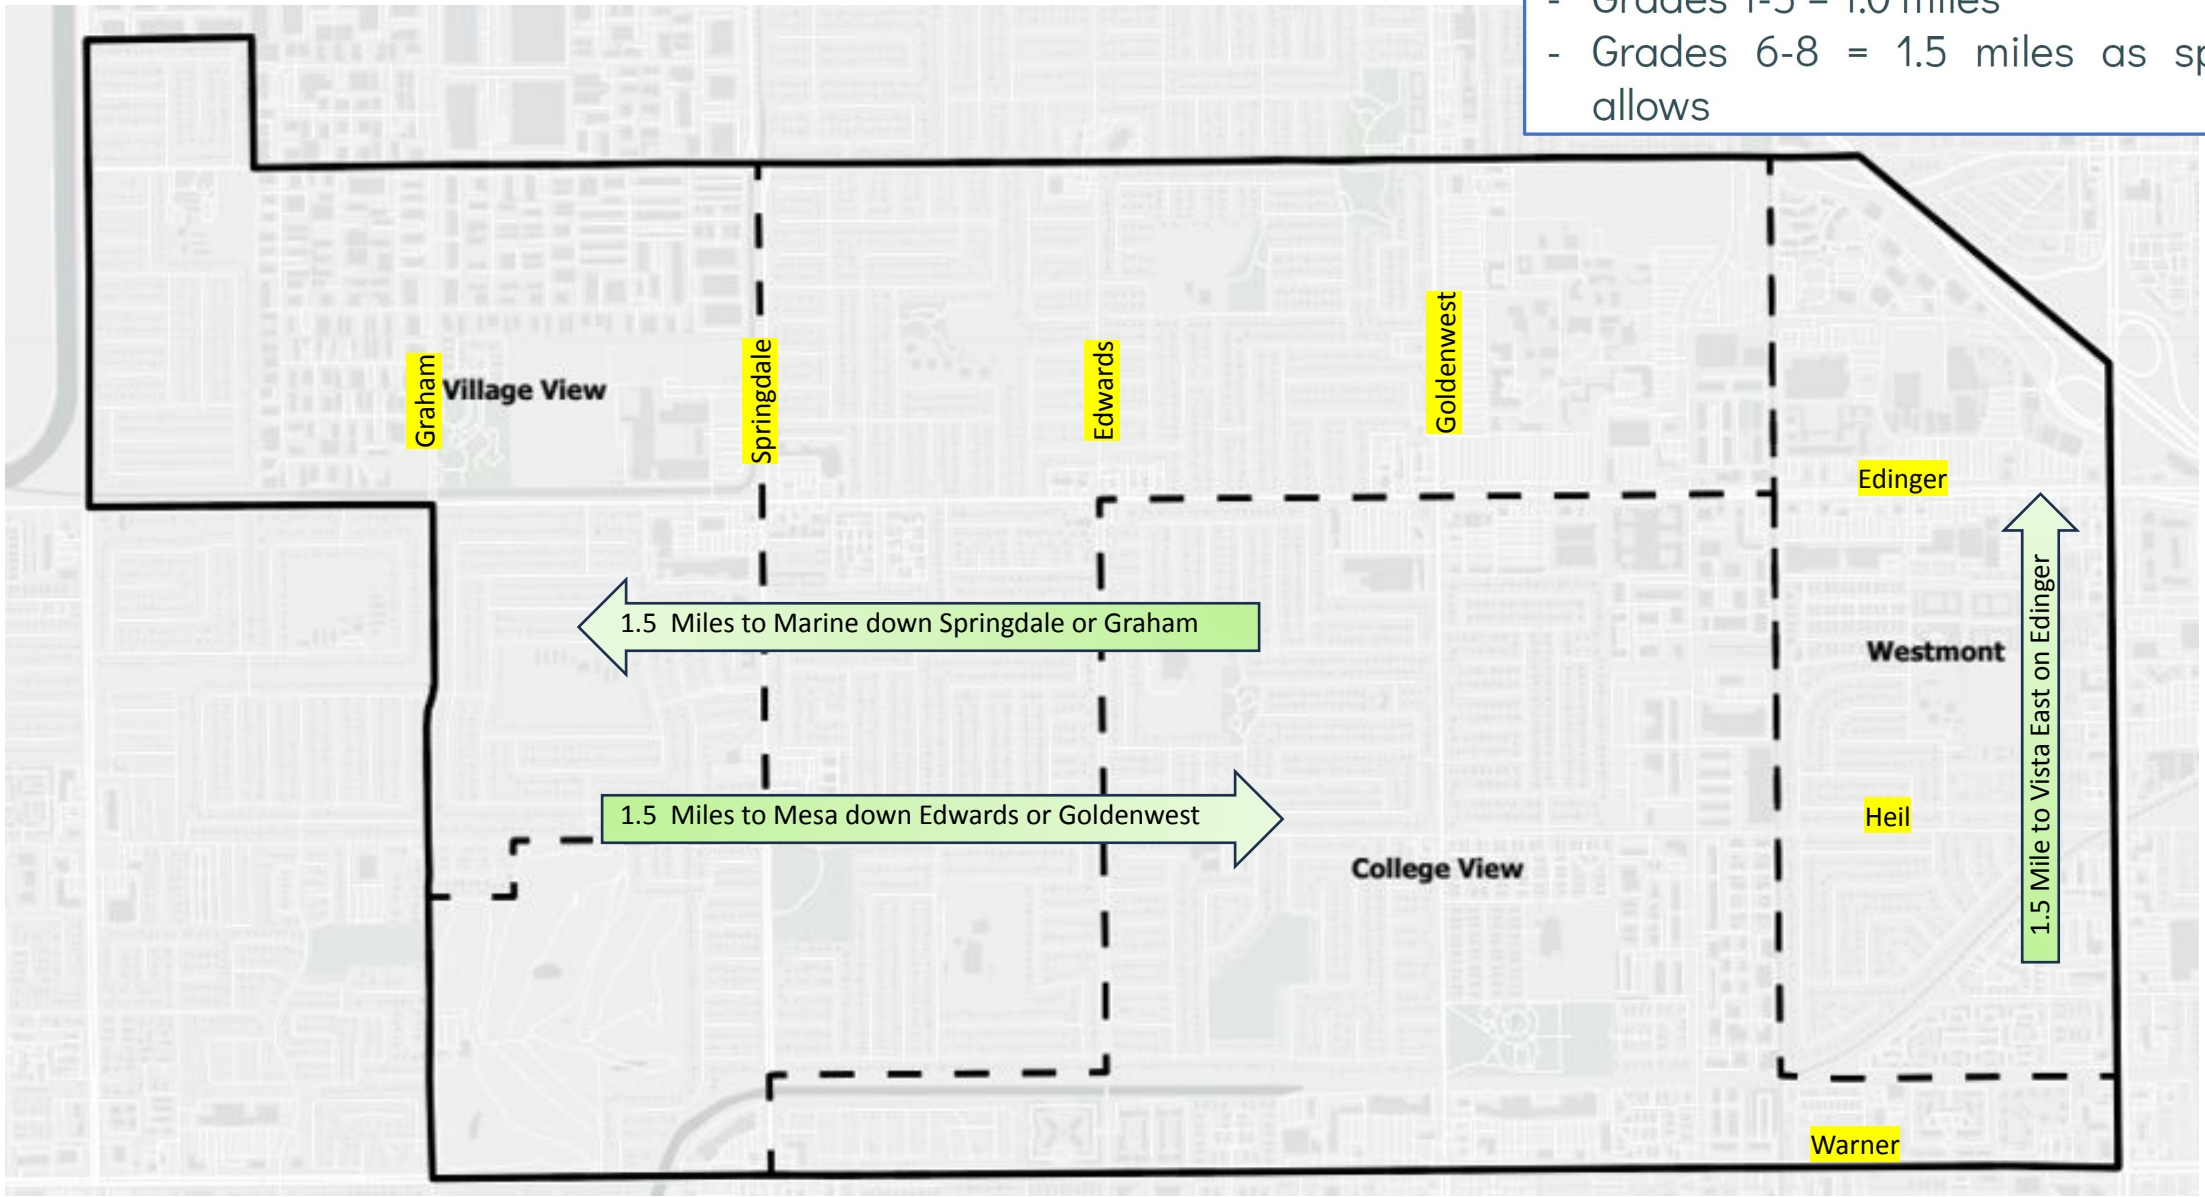

Flexible Non-Service Zone Criteria:

- TK-K = 0.5 miles
- Grades 1-5 = 1.0 miles
- Grades 6-8 = 1.5 miles as space allows

Spring View Attendance Area:

Flexible Non-Service Zone Criteria:

- TK-K = 0.5 miles
- Grades 1-5 = 1.0 miles
- Grades 6-8 = 1.5 miles as space allows

Spring View Transportation:

- Who will we transport?
- For how long?

Proposed Timeline:

- February 13 Board Meeting Spring View Transportation (Information)
- February 27 Board Meeting Spring View Transportation (Approval)

Spring View Transportation Board Direction:

- Who will we transport?
  - Staff Recommendation: Spring View Middle School Students to their new school of residence using the non-service zone criteria. No Intra/Inter District transfers which includes programmatic choices made by families.
- For how long?
  - Staff Recommendation: For one year.
