GATE BELIEFS IN OVSD

Mission

We hold high expectations for all students through rigorous & relevant educational experiences that support & guide them to become responsible, ethical, productive, & involved citizens.

Philosophy

Every student has the right to be appropriately challenged, & we strive to engage in the development and activation of each student's potential.

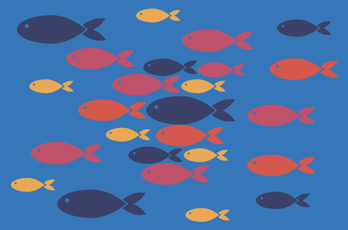

GATE MAGNET PROGRAMS IN OVSD

Since the mid 1960's OVSD has continued to support & develop GATE Magnet Programs at both Circle View & Mesa View.

Ocean View established two additional GATE Magnet Programs in 2019 & 2020, supporting both, Star View & Vista View.

GIFTED & TALENTED EDUCATION IN OVSD

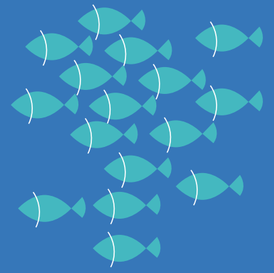

CLUSTER PROGRAMS

1

Students are grouped within their regular classroom setting with their intellectual peers & receive differentiated activities from their classroom teachers.

MAGNET PROGRAMS

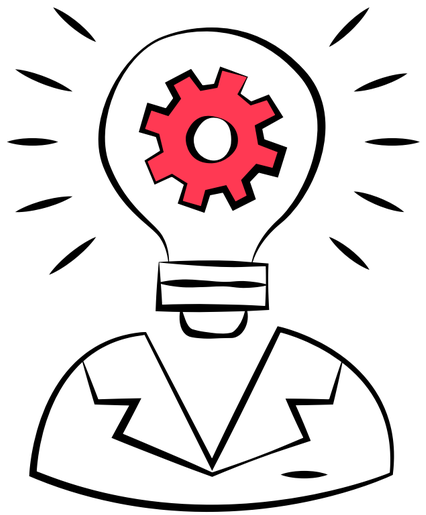

2

Magnet schools are public schools with specialized courses or curricula. "Magnet" refers to how the schools draw students from across the normal boundaries. Students in the GATE Magnets are homogeneously grouped in core curricular classes.
