## STUDENT STRATEGIES

### BARRIERS (questions 1-17)

- Coordinate an alternate plan to get to school (friend, neighbor, public transportation)
- Establish bedtime routine (set and stick to a bedtime, set up a wake-up alarm)
- Schedule appointments during breaks or early release
- Get the contact information for a trusted adult at school to plan around missed work, or needed supplies
- Obtain a copy of the school calendar and self-monitor for days missed

### AVERSION (questions 18-23)

- Seek support from a trusted adult: communicate needs
- Contact teachers to create catch-up plans for days missed
- Contact a classmate to provide class notes

### DISENGAGEMENT (questions 24-32)

- Participate in a group or club at school: there is something that everyone will enjoy
- Ask for a leadership responsibility
- Request tutoring, mentorship, or other academic or social supports
